Mary,

I was so thrilled when Darlene sent me there two pictures. The first one is of my Grandfather & Great Grandfather and a Great Uncle. Taken by the Rich Hill Mining Review. Before Grandma & Grandpa were married even. How exciting, Of course they didnt spell the name right, it sounds right, 1895 it was, unbelieveable. It wasnt a problem picking them out. The Great Uncle looks just like a family member, my brother John.

Im anxious to send them all to my family and see what they think. Can you imagine starting to work hauling coal at 15 (my Gr. Uncle) yrs old. Grandpa (when this pict was taken) was 21 and my Gr. Grandfather 63. Thought you might be interested in having these 2 also since Mae Yehle Mitchem is in the second one. They look like healthy german women. I added the oldest sisters picture to theirs. My sister gave me a picture of my dad & his Aunt Molly which is the oldest of the Yehles and my dad when he was driving a truck around 1940. His trips took him up thru Kans City Kans where she lived & they had their picture taken together. She had to be about 70 then. Looked pretty good. Any way I cut her picture away from my dad & put her next to the other four &

made a copy. I love my copy machine. I make book markers with my grandsons picture on them. I think of all kinds of things to do. Anyway Ive studied the girls pictures trying to put ages to them. Im trying to work out a situation where they would all have to be together back in those times.

(Molly was 74 when she died)

← In 1944 when Molly died in Kan City, Kan Emma would have been 71 — Ida, 60 — Iva, 55 and Mae, 61. Mae's the only one who doesnt look that old or age wise. Ive already given up. Ive thought about Iva being 11 when her mother died and 12 when her father died. Wondered who took her in and finished raising her. It probably was one of the three oldest. They were all married by then. I can just see these stories coming out of my head just thinking about these people.

I did the same thing with my husbands side of the family. Working thru the information and letters Ive read, you learn a lot about their life. Okay Mary, this is probably boring to you so I will quit.

I do want to ask you if I need to help with the stone for Ella Conners. Let me know, will gladly help.

How is your husband doing? If

hes anything like me his still not up to par. Im going to the Dr. Tues. I just need to get some of my energy back. I have mowed my yard twice so I know Im some better.

How did your surgery on your cataracts go. I hope okay. Ill be glad when they can do my other eye. One has been done. When I put my make up on the coloring looks different. I just have to trust that I look okay.

Any way Mary let me know if I can help with the stone. Take care and hope all is well with your family.

Love,
Marilyn

Dear Mary

I have a letter from a BUNCH descendant of Martin (Park and Bunch p.210) and I have a footnote on p. 211, "s", which says that in DeWitt's Bunch Family Record III,3(1967) pages 1-17 "gives Martin's children, with marriages and descendants".

The only RecordI have is dated 1965. I am sure that reference came from Geneva (since that whole section was her research, not mine) and I wonder if you have that Recordfor 1967, giving all that valuable information on Martin Bunch. It must have been among her papers, and I do hope it came to you.

Could you get Xerox copies for me? A big favor, I know--and I wonder why Geneva didn't MAKE me include that information in the book. I will pay, of course, but I can't make up for the time and muisance--I'm sorry.

I get letters about once a month from Parke or Bunch people, mostly I can't be of help, but lately one of each family has written, and they do tie in with people in the book , so I have copied appropriate pages for them, taking my time, not to say my dimes, which they accept happily !

Several people are urging me to have another printing of the book, but my sight is disappearing, and I couldn't do proper overseeing (for mistakes), and unfortunately none of the eager beavers live nearer than Washington State. So I have to say No. Needless to say, these people are all BUNCHES.

I hope you are well and happy, and not too hot.

Love

Alice

Dear Geneva

So glad to hear from you, and to hear that you are-comparatively-well.

I shall feel relieved to tell you what I have learned of BUNCH--I wanted to, of cour~~a~~se, but couldn't, until I knew how you and Garland were. I have, since your letter came, put together what I have had, new of Bunch, and made copies for you. You have so much, you might be able to tell thsse people just who they are! Three descendants of James^{6} (p. 213--the only ch. we have listed for James^{5} and Ruth Hibbs) wrote, but I don't know whether any of them have letters or papers which definitely link them to James^{5}--they may just have been going on our book. (In these references, "our" book means yours and mine.)

On pp. 223, 224 Nathaniel's/new descendants are listed in the footnotes; two more descendants from James Monroe Bunch (227): Timothy A. Bunch, lives 2302 Sage Circle, Olathe, Kan. 66061. (Curses--this electric machine does just what it wants to do.) James Monroe had son John Wm.^{8} m. Martha Cox; their son James F.^{9} had Harold M.^{10}, father of Timothy A.^{11}

223, 224
with revised.

P. 221--remember Mrs. Holman? She was searching for her husband, and says ~~s~~he belongs there.

One of Nath'l's descendants lives in Takoma Park, here, and came in person to collect his 5 copies, which he called, as he picked them up to leave, "my treasure". I thought that was nice.

A request for a book came from Merle Bunch, Rt. 1, Box 798, Vinton, La. Didn't tell me anything--I am going to write him a card, and ask if he found what he wanted. He may need a Bunch who went to La., that isn't in the book. (Like Mr. R. H.'s ancestor.)

If you find anything new for the people in Carollton, Mo., tell me, and I will send them a copy of the Revised book.

Hearing from you was a happy occasion.

With love (and mistakes!)

Alice

Dear Mrs. King

Mr. John A. Bunch, of Joplin, Mo. says you gave him information on Jesse Bunch — Mr. Bunch descends from Jesse's son William Malory B., and my husband's mother, Martha Bunch, was the daughter of another son, David Anderson Bunch -

Would you tell me how you knew Jesse + Elizabeth Pulliam had 11 children? (We only know of 9). Also, what is the source for the birth + marriage dates of Jesse's daughter Sarah (Sally) Caroline Bunch; and the birth date of daughter (Betsy) Mary Elizabeth? Betsy married James D. Newell after the 1850 Census of St. Clair Co.

We are getting together a family history, and if you are a genealogist (over)

please tell me your usual fee.
Envelope for return answer enclosed.

Sincerely,

Alice M. Park

Dear Mrs. King

John A. Bunch of Joplin sent me the little old leather book to look at, and it gives the date of marriage of Jesse's son, David A. Bunch (my husband's mother's father) which we were very glad to find. It also gives the date of marriage of Jesse's daughter Lucy, and the item about the death of Eliza Bunch, "dau. of Jesse and Elizabeth". This last, giving the name of Jesse's wife was a real find, as we knew there was a Virginia marriage of one Jesse Bunch and Elizabeth Pulliam, but no relative had heard the first name of Jesse's wife.

The exact date of Jesse's death is there, though the day of the month is illegible. It says he died Oct.--? , 1841. And if he died at home, as he probably did, since a son and 2 daughters were unmarried, he died in Henry County, Mo., where he had bought land from the Gov't on Dec. 21, 1839--he is on Rives 1840 Census.

But the old book doesn't say anything about 11 children, nor does it give the birth dates of Jesse's daughter Mary E., nor the birth and marriage dates of dau. Sarah, so these have come from another source.

"Stumbling along" is very descriptive of us, too, but I must say we stumbled onto some luck when we got all the early Bunch data from John A. Bunch.

If you are interested, the present owner of the old David Bunch Bible is John C. Bunch, Asheboro, North Carolina. His uncle,

Edward J. Bunch
200 Canterbury Road
Charlotte, North Carolina, 28211

seems to be putting in full time tracing missing Bunches, and has put out a "Bunch Family" ($5.00) which concentrated on certain branches, and might prove of no use to you-he does include Jesse's birth, but goes no farther on that line. But he says he has been out in the Middle West looking up more records, so it wouldn't hurt for you to tell him what you know, and ask if he has any more information.

Will be glad to copy the data about the 9 of Jesse's children, but certainly would like to know Who knew there 11.

There were lots of Maupins in Madison Co., Ky. in 1810 and 1820 (the Parks lived there).

We don't know where Jesse was after he left Va. in ~~1831~~ 1824, and before he arrived in Missouri in 1831. The little book has an item about money owing from "Suprey Bunch", in 1821. Suprey was his 1st cousin, son of Pouncy Bunch-that strange name.

I'm not a very good typist, and thismorning seems to be worse than usual, so I'll copy Jess's family sheet when I can make 2 carbons without spending more time erasing than in writing!

Yours
Alice M. Park

I'd love to have the copies of correspondence between R.H. Bunch and "Ick", as Washington I. Bunch was called.

I have a Richmond genealogist supposedly working on Elizabeth Pulliam and Jesse's mother, Hannah Cruze. So far, thanks to John A. Bunch, I've told her more than she's told me!

Note on Sarah: According to her nephew, in 1930, she was "Sallie". But a Barton Co., Mo. History gives ~~George~~ Samuel J. Minnice, obviously the son Samuel they had listed on Census records — he says he was the son of David and Caroline (Bunch) Minnice. At that date there was only one David Minnis (or whatever spelling) in Barton Co. He was b. in Ireland. So I assume Caroline was her middle name —

Dear Mrs. King

Thank you for removing my blind-spot--Sarah(Robinson) Bunch had written her own name and birth date in the little book several times, until I just didn't register that one entry was another Sarah-and I enclose 1 of the prints the Archives made of a few pages of the book. Now that I know that it gives the date of Sarah's marriage, I can read it, but certainly couldn't before. After all the ta lk of infra-red, etc., I expected no less than a miracle, but as you see, it s not very good, and they cut off the "3" in the year of Lucy's marriage. I'm very much obliged to you for finding "Sarry's"marriage date.

I wonder about the birth date as given in Mr. Bunch's list--~~she~~ Sarah was on the 1850 Census for Benton Co., andher age there would make her birth date 1818. Of course, the Census made plenty of mistakes, too. She died, and her husband remarried in 1857, so there is nothing to check with.

I've just looked in the phone book, and Tilghman Bunch is living-will call. You know I started on a definite hunt for the Bunches about 1½ years ago, and I can't tell you how discouraging it was, to find the name so scarce. None in the early Virginia lists, until the privately printed tax lists came out in the 40's (I think).

We didn't find who the Parkes of Madison Co., Ky. were, until Lee and I went there last summer, and in the land records in Richmond, Madison Co. seat, we found a story. We had had a genealogist there who actually did put together a complete file, but she wouldn't look up what the files referred to, which didn't do us any good. I have a young college boy I write to, now, and he answers in anywhere from one to three months! Want his name?

(over)

In thinking about that –

I believe we've gotten the most out of a good researcher,
at the State Library (in Indianapolis) + in the State Historical
Society of Missouri (Columbia). Actually, I believe the woman
in Richmond – yes, she did – she got her complete file
on Park + Benton at the State Library – I believe she
might have looked up Richmond, but Estill, which was set
off in 1808, + had a lot that we wanted, she wouldn't
go to. (It was only a short trip, but the organization
of papers in that Court House ~~are~~ is quite elementary, + I
don't think she wanted to be bothered).

Dear Mrs. King

I'm at the spot where I have to decide the form this family history is going to take. I want it "professional" from the standpoint of accuracy, giving sources, etc., but I also want it as simple as is possible while still making clear just who people are. The "public" it is being written for is mostly average people, interested in their family (often too late, of course!). But I don't want it to be ANOTHER MESS, so wonder if you have seen a form you consider worth copying.

We know about the form used by Mrs. Pitcock in the 2nd section - seems complicated, but I realize it really isn't, & that each person has his own no.

In preparing the material, I had given Jesse's children each a capital letter A, B, etc. Then the children of each of Jesse's children are listed with Roman numerals:

Jesse Bunch

List of children:
A James
B. John
etc.

~~Then~~ — A. James Bunch
List of James' children:
I. James T.
II.
III. etc.

Then space, & start with

I. (James' first child)
1. James Thornton Bunch
a. Etc.

I guess what I want is Simple but Intelligent, if you can give me an example.

I can't waste the space on paper that the Bunch Record does, but being loose-leaf has advantages.

I heard from Tilghman Bunch today - he just faintly remembers the name "Va. Baptist." Suggests I try Library of Congress — now really! Can't believe R. H. Bunch wouldn't have had a copy for his own files - Yours Alice M. Park

Dear Mrs. King

I spent 4 hours yesterday in the DAR Library, reading Burns' Marriages of Madison Co., Ky., the brides'names-I asked if there were a brides' index, first, but of course not--I'm going to make one, some day, to donate to the Cause. Anyway, remembering your Maupin connection, I took down brides of that name-if it does you no good, it wasn't much trouble, so we won't waste tears over it. I was looking for Park and Benton.

Page	Groom	Date	Bride	Bondsman
71	Cross, David	9/29/1808	Maupin, Betsy	b. Thos. Cross father Daniel Maupin
93	Gentry, David	7/21/1804	" Susannah	b. Daniel Maupin
77	Delany, Wm.	4/7/1804	" Delila	b. " "
95	Goodman, James	9/18/1810	" Marie	b. Thos. Maupin
95	Goldin, Wm.	4/21/1795	" Polly	b. Roger Shackelford
126	Lynch, David	2/12/1793	" Fanny	----------
140	Niece, Jesse	3/24/1813	" Polly	b. Daniel Maupin
156	Shiplet, Joshua	5/28/1814	" Margaret	b. Elias Pinkston
157	Stephenson, James	1/24/1799	" Sarah	b. Cornelius Maupin
168	Terrill, Wm.	11/9/1829	" Parthena	f. Daniel Maupin
177	Watson, David	1/22/1800 or 1801	" Elizabeth	b. James Coulter

Of course there were later ones, I only took down the early dates, except the one who married Terrill-that was because the father was Daniel, and he may not be the same Daniel-a lot of spread in those dates.

I also spent some time looking at genealogies, trying to find what would be simple but adequate-ordered some photostats, so I can study again, with my material at hand.

(in time for the book)

It looks as tho' we will not be able to check farther back/on the Park line than Charles, born about 1740, so I may number those differently; but if the RECORD for Spring 1966 is correct, we could number the Bunches with the system: "John^2", etc., which I do think is good. I've never seen anyone use that system unless they know the number of generations in this country, and all I know of the early Bunches is what Mr. R. H. Bunch gave, as shown on the chart in Ed. Bunch's book. In the RECORD, however, it states not only that John who died in 1741/2 was the second generation, but it lists his son Henry as the 6th (letter g) child, and gives his wife and children. I've missed out somewhere-how did they know the order of the children, or do they know only the date of Henry's birth? I wrote to the Record, but have no answer, and I thought of you-I'm sure if they know more about the children of John d. 1741/2, you know it, too, and maybe you will tell me. Please? P.5 And says definitely that Samuel was a son (which I thought),and numbers him aae. You see I am behind.

I meant to tell you that I had no use for the second part of Nettie's book, so I sent it to the woman in Columbia, Mo. who has been searching for us, thinking she might find it useful, or give it to the Library. That's what she did, so for better for worse, Nettie's publication with the big numbers is now a part of the collection of the State Historical Society of Missouri, Columbia, Mo.! I think Nettie should send them copies of whatever comes out from here on, so It will be where it can be used by anyone searching. I can't get over how, for a year, I found nothing on Bunch, and then found that under the surface there was all this informa tion, that you only know about if you are lucky. And am I glad I was lucky.

Thank you for bothering with an answer to me when you had all the work to do on the Reunion-I hope you didn't have too many babies to add to your list--that's one reason I want to get through--I don't want to have to add any more births or deaths. Well-not literally.

Dear Mrs. King

And I do mean dear Mrs. King--to take time and trouble to initiate one,newly-come to the sources of Bunch information. The chart is a real gift, and I intend using it also, as an example for others for our book.

Delay in writing you was caused by the preparations for the annual Homecoming at the Park Grove Christian Church (St. Clair Co.), which was Aug. 20. I had lots more I wanted to know before then, from people of Bunch, Park, Foster, Jones and "others". I stayed on a few days after my husband left,(but he wasn't coming home), trying to get straight 2 families that specialized in having 11-13 children each, and I just hadn't been able to do that by letters.

No, I do not know the story of the shipwreck, never heard of it except from you, and then last Sunday, a "new" relative of my husband's, who lives in Maryland, came over, and she asked about it, also about the "Catholic priest". She doesn't know any story, only those words, and she doesn't know if the two are connected or not. She has never been in Missouri-her grandparents went to Oregon long since. It seems impossible, but her great-grandmother was the sister of my husband's mother.(And she told me that her father thinks that I am mistaken in the relationship. I quickly wrote him after she and her husband left, with a little chart of my own). Her great grandmother, Frances, was an older sister of Martha, Lee's mother. Frances' one daughter was b. 1873, while Lee was the youngest of 9 children of Martha, and was not born until 1895--Frances' daughter was married and had a son 2 years old when Lee was born. (I hope this sounds believable to you).

In regard to the dates given by Edward Bunch for Jesse and ~~his~~ Jesse's father-I don't know why he didn't say that he was quoting from the Bible which his nephew has. He made a typed copy, because the book isn't in condition to make a good copy-then had it notarized, and sent it to me. He is also going to deposit copies in 3 libraries, including the State Historical Society of Mo., at Columbia, Mo.

The further information on Jesse, as shown in the letters to Tilghman and R.H. Bunch, is in a book called THE VIRGINIA BAPTIST, which was in Loveland, Colo. when the letters were written. The postmaster there tried to find out about the family, but tho' people remember the name, no one knows of the family now.

R.H.Bunch was so orderly and thoughtful in what he did, it's just too bad he didn't get copies while he knew where the information was. (I got the information on the whereabouts of David Bunch's Bible from a later item in the DAR Lib., and then wrote to the postmaster, who found out the name of a descendant).

I can't tell you how much I appreciate your setting me straight,on the winding course of the early Bunches, and if you will tell me the story of the shipwreck I will be just that more deeply in your debt. (And don't you wish, with me, that I didn't make mistakes?).

Do you know where the Indian background story originated? I found this summer that the children of one of Jesse's sons definitely were part Indian, but not through Jesse-it was through the son's wife, whose father was part Choctaw. (I hear).

We looked forward to seeing John Bunch, but he didn't get there. However, he sent a picture of his family, and I see, as you said, he really is tall, dark and handsome. Lee says all the Bunches were good-looking. John was born in 1910, and I was born in 1901-just a little matter of re-arranging the numerals! He is working hard on his own branch, and sending me copies of it all. Without exception, the Bunches we have written to have been extraordinally nice.

Gratefully yours

Alice Park

Dear Mrs. King

Although one of these days you are going to hear me say "Geneva".

Thank you so much for all the interesting items on the Bunches, and the name. I suppose we can just take our choice of which derivation we prefer?? The only one I had copied was the one from the Dictionary of Aner. Fam Names.

No, JohnA. did not send me the item about the Choctaw tribe. I ~~have~~ still have not found out who it was that marked the Indian item on a sheet which I sent to one person, but which had made the rounds before it was returned to me-tho' I hav-e written to ask.

Lee must have meant that all the Bunches he knew in Mo. were good-looking, and it is true that all I have written to have been awfully nice. I was about to make an exception this week,when I didn't hear from a woman who advertised in the Genealogical Helper for ancestry of Mary Bunch of Kansas. I happily sent her the line back (through Jesse), then awaited her equally happy reply, and awaited. But after 3 weeks, she came through with a grateful letter, saying Mary had been given up long ago as a lost cause, and asking for detailed family history. I am, or think I am, writing a book which will include detailed family history, and I don't have time to send same to her beforehand. I had asked to have the descendants of Mary, in exchange--she will send them, but wants me not to wait for that, in sending all she wants! As our children say, She must be kidding! (No, I believe it goes, She has to be kidding).

I'm trying to do too many things this morning, as you can see from all the mistakes. And there goes another. Oh dear.

(Practically) Affectionately –

Alice Park

P.S. I'm curious to know if you already had the children of John Carr Bunch (Samuel P. b. 1852), or did John A. send you the list he requested from me, last spring. Do you have date of Sam'l P.'s death, and is there a wife buried there? He was supposed to have married when he was 40 years old.

There is a Wiley Bunch b. 1872 buried in or near Ponca City, (wife Dora V.); and a George W. Bunch b. 1854 (~~wife~~ Gussie!) lived & died at or near Woodward, Okla. Geo. W. was son of John Carr, too; Wiley was John Carr's grandson (This is assuming that if you have grave records, you'll be as glad to identify them as I will, to know when they died).

Yours –
A. P.

Dear Mrs. King

Of course, I am not all that prompt about getting answers off to people, but since you are, I can't help wondering if the reason I haven't heard from you is that you are sick. I do hope not, and herewith send also my good wishes for Christmas and New Year, as well.

I have in the last month found the living descendants of Mary L. Bunch and Emily Bunch, both daughters of James Bunch, the oldest (we think) son of Jesse Bunch. One lives in Ariz. and the other in New York state. Maybe if we live long enough---??

Dear Geneva

I told you, one day I would call you that, and if you and Lee are going to be "con[illegible]ctions", first names certainly follow.

I have just put my so-called brain to work, to make a chart of Lee's relationship to Ella Mae (Park) Dodd. (Neat and arty things just don't seem to be for me).

And my question is, how in the world did you and Ella Mae ever come to discover that there was any relationship with that far-off Lee Park? Your name was Bunch?

I hasten to tell you that somebody else is welcome to that Samuel P., even tho' he did seem to fit so neatly into our John C. Bunch's family. We found, on our trip, cousins who had known Uncle Sam, as they called him-and as he was-and he lived in Meade, Kan. He married when he was 40, and had no children. They are going to try to find out date of his death, but are quite sure he was buried at Meade. Some things that belonged to him and his wife, Lucy, are in the Museum, they say, at Meade--china, for instance! They also said that Roy Bunch, called "Dick", (son of Geo. W. Bunch, another of John C. Bunch's sons) has a pair of spurs hanging in the Museum at Okla. City. We wished we had known when we were there-at the city, not the museum, we never even thought of going in there. Dick and his sisters live at Woodward, Okla., and how good the steak is, at Woodward! We had to be real detectives, to find them, there, though, and almost gave up. Very nice Bunches, glad to have met them all.

In our search for the children of Geo. W., at Woodward, we found another Bunch (wife), who entered into our search, even tho' she was not successful, and I thought you might add her to your list of UNKNOWNS: Mrs. Melvin Bunch, Rt. 3, Box 209 C, Woodward, Okla.

Melvin is the son of Robert Bunch (living), and Robert's father was George Bunch. I thought if you have family sheets you send around, she would work at collecting the information-she [illegible]s energy! And was nice. And I hate to have unclaimed Bunches around, even when they aren't ours.

We are so sorry that this has been a bad winter for you. Maybe it's time to appoint a sub. sec'y for that Bunch Ass'n, sounds like too much for a part-time-job.

I am returning your typed page, you may be able to use it again, and I am quite sure that these people are not ours. The Indian blood in some of our Bunches comes from John Tally, whose daughter Nancy H. married John Carr Bunch, 1839. He came from Tenn, tho' one Census said Alabama-or maybe that was the county History. Nice, when you know what to believe.

We saw John Tally's Bible in Tulsa, and now have copies of the pages. He was married in 1815, and would you believe that it does not say name of wife, nor where married? By itself, it would leave you at a loss, but with Census records and cemetery records it is valuable.

I would send you a copy of everything I have, but I have to get that book ready, and it will all be there,-I hope. Including thanks to you. I'm not sure I am going to adopt the letters and no. of generations from the DeWitt publication-I am going to give credit to R.H. Bunch, whose daughter wrote me at Christmas, giving me permission to quote from his material. If you feel strongly one way or the other, tell me before it is too late. How did R. H. Bunch's mantle fall on DeWitt, anyway?

Get well, and Spring is almost here.

Dear Geneva

The book has me down flat-I work every minute, don't do anything else-and am so tired I wonder if I will be here for the finish! Trying to put it in shape according to a genealogy a librarian at Columbia, Mo. recommended, also directions I got from the Nat'l Soc. of Genealogists, which tell~~s~~ every comma and semi-colon. Surely it will get easier IF I get used to it. (They don't mention a period).

Now you, my poor dear. Seems to me that about this time last year, you weren't doing wo well, either. I wish I could do something about the ankle,-and just be glad you are young enough to expect proper healing--that is, if you are going to be glad about anything, and you don't have to be. Does it hurt all the time, or is it that you can't get around? Tell me about it, it will take my mind off the book.

If you are in a state of mind that causes you to lie down and yell at sight of a Bunch line, just send these papers back as fast as you can. A nice-sounding man sent them to me (knows the son of one of Lee's million cousins) and he is past my help. I did have the record of the Calloway Bunch "and Nancy (Bunch) Bunch. Nancy was of the old Virginia family of Bunches". Mrs. Botts sent me that from some Co. Hist. of Mo., telling about their grandson Simeon W. Bunch, b. Simpson Co., Ky. 1832.

But when he got down to Taney Co., I thought it possible that he is, or should be one of ~~t~~your Flock.

He sent 2 stamps, which I enclose, and if it is too much for you to even answer my letter, just put his papers in an envelope and send them to me, and I will understand--because I've been there.

You sound so nice yourself, I am sorry that the Lord is not keeping his eye on you-maybe you have now had your bad luck for 10 years.

Love to you.

Dear Mrs. King

I am sorry I didn't put in other paper — I am in the hospital for a few days, and I was working hard to get the things typed on paper that I wanted to send you for your corrections and/or approval/disapproval.

I have finished the Park/e/s family, and am for the first time really working on the Bunch family, which explains why I was backward in getting the copy made for you of David Bunch's (1772-1776) Bible records. I enclose copy.

I also enclose copy of the Tentative Foreword to the Bunch Family, because I am not sure, first, that what I say about your giving the material to John A. Bunch is correct — it is the way I understand it, but wherever I use your name I would like to be sure that what I say is correct, and that you agree to ~~my~~ giving you as a reference. Please use your red pencil freely.

I know it must seem very presumptuous for such a late comer to the Bunch records as myself to be putting anything in print. But we have now a quite complete record of the descendants of Jesse Bunch and Elizabeth (Pulliam), and with the David Bunch Bible giving *his* descendants, *including Jesse*, I would of course go back to David, b. 1722.

And at that point, considering how long and in how many places I looked for even a mention of the *name* "Bunch", it seemed an opportunity to put in, if we can, the earlier records, in hopes that some reader will find he can add to our knowledge.

I am listing the libraries where Edward Bunch's book is deposited for the reason that I am not duplicating his records — so I should indicate where those records can be found.

I also enclose copy of the first 4 pages (again, tentative) of the Bunch Family, because it uses, and refers to your work and ideas. (You are safe, after p. 4 — no more Mrs. King).

I have no record — though you seem to — of the date of Samuel^4's dau. Rebecca. I am sure the order of his children will have to be changed — I did it, using what information I had.

And you will probably understand whether those land records of "James Bunch" apply to James^4

Dear"G. King"

I hammered away at a great rate to get those pages ready to send you before I turned myself in to the hospital 2 weeks ago today, for removal of gall bladder (and stone). I knew I would not be able to push myself for a while, and I wanted to get those first generations on paper, ready for criticism.

Your very good, kind and encouraging letter was nice to think about in the hospital--I came home Thursday night, and can only work a little at a time--especially when my husband is away, and can't say, "Get away from that typewriter!"

So, if it won't be too much of a bother, I'll say things in shifts.

First, it was not a typing error, of which I make plenty, that I had George^5 (Samuel^4) m. Sally Sargent,"d/o Wm. Martin Gentry". That is the way it came to me, and I supposed Sally was a widow. So glad to know about the Gentry, for that line of Gentrys went to Madison Co., Ky., where 2 Gentry girls married 2 sons of Charles Parke Jr. (Lee's great-grandfather was also a son of Charles Jr.) Nice to have things tie in, isn't it? I knew the Gentrys came from Hanover Co.

I will have to repair my records for Henry^4 and James^4 but I started in on Samuel^4, since your Quaker records were at hand, and so useful--I can never say thank you enough.

SAMUEL: "and family" in 1748; this could mean wife and one child, in which case, if child was b. 1748, he was married ca 1746/7. (If he had 2 children, he was married earlier, and his birth date, estimated from David's known birth date of 1722, would make him rather young to marry earlier--maybe he was an older son than David, though Wm., married ca 1743, was surely older than he. Well--)

If Rebecca, m. 1765, was 16 when married, she was b. 1748/9, so may have been part of the "family" of Samuel, referred to in 1748. Anyway, there could hardly have been more than one child older, unless Sam'l m. very young.

So, I make Rebecca:

" a. Rebecca^5 b. ca 1748/9 (if 16 when m.); m. 1765^p ? MEREDITH.^{n} Rebecca was

---

n - Sam'l's will
p - Cedar Creek Monthly Meeting

thus probably one of Samuel's "family" in 1748."

The next approx. birth date I have, after Rebecca's, is for Samuel Jr. He was b. ca 1759/60 if 19 or 20 in 1779, when he was "disowned" by Cedar Creek Monthly Meeting for "engaging in military service". (Could have been younger?? like 17 or 18?)

Mary follows, b. ca 1761--her marriage record says she was (1787)"about 26".

George, b. ca 1763 (if 25 when m.); "disowned" 1783 by Camp Creek Meeting; m. Louisa Co. 1788.

Charles, b. ca 1767 if 25 when m. 1792; "disowned" by Cedar Creek 1785. (I assume, maybe wrongly, that they didn't "disown" children).

Certainly all three (Mary, George and Charles) were born after Samuel Jr., unless I have ~~und~~erestimated Sam'l's birth date correctly.

We have no dates at all for James, John, Judith nor Ann, but some or all of these must have been born in the ten-year period between Rebecca's birth ca 1748 and the birth of Sam'l Jr. ca. 1759/60. Keeping the order of these children as listed: (Though Judith and Ann were prob. listed last because they were GIRLS)

a. Rebecca^5	ca	1748/9	
b. James^5	"	1750	Big guess-work
c. John^5	"	1752	
d. Judith^5	"	1754	
e. Ann^5	"	1756	
f. Samuel^5 Jr.	"	1758/9	
g. Mary^5 "Molly"		1761	
h. George^5	"	1763	
i. Charles^5	"	1767	

You can get a line on George and James: if they are the George and James on 1800 and 1810 Cen. for Knox Co., Ky. the ages shown there would indicate their birth range.

Do you have any opinions on the James of Bedford Co., 1810? His age makes his birth range 1766-1784. Is he the James with wife Mary and chn Ann and James given letters in 1789? (He can't be the James and Mary of Cedar Creek records 1749-1755) — That James was Saml's brother?

Do you know when or if Charles and Mary left Louisa Co?

Time for lunch and bed.

Gratefully yours Alice Park

This has to be one of ours?? Born ca 1781?

Dear Mrs. King

Pretty slow getting there, but yesterday I finally tumbled as to James and Mary Bunch who left Cedar Creek **Meeting** being, of course, James and Mary--who else--with their youngest children Ann (whom he called Nancy in his will) and James. The other un-married children having already been disowned naturally were not given letters to the Bedford Meeting. You may mark me down to grade C for being so slow about that.

And I suppose the purchase of 465 acres on North **Fork** of Goose Creek in 1788 was this James, after selling in Louisa 13 May 1788. James had been disowned,-1778 and may have gone before Mary and the chn? and bought? Then came back for them?

I have gone into more detail than I intended, with the earlier generations, due to your encouragement--and if you think it would be better just to list them instead, all you have to do is to say so. No hurt feelings--this is trying to be a professional job. I had to at least list them, to find out what Jesse's number should be.

Dear Mrs. King

If you have put away your BUNCH notes, I know I am just being a nuisance--I know how they disappear from your mind when you work on something else.

The truth is that I am not really able to work, and I am now back to half-time as a result of doing too much.

But I do have to tell you about a little brainstorm I had, to see if it strikes you: Lee and I were in Louisa 5 yrs. ago (for not long enough) and one of the deeds tells about David and "Judith his wife". I have known that, and think I had it on the list of David^4's children I sent you. But the other day I suddenly thought, I have not seen that name Judith except one other place--Samuel^4's children. I had figured that David^5 m. ca 1784 (if m. at 25); now you link the possible marriage of Judith with the Quaker record against Mary dated 1783, and I no longer think it just an idea--I am sure that David^5 m. his cousin Judith^5 ca 1783--just as Anthony^5 m. his cousin Mary^5. (And as Anderson^6 m. Adney^6).

What really started me off on that idea was ~~in~~ the deed at Louisa where David and Judith sold to Anthony Bunch 100 acres . . . "being the same tract of land which Samuel Bunch, late of Louisa purchased from Roger Thompson, and bounded by the lands of Charles Bunch, formerly the land of the said Samuel Bunch". Deed dated 13 Aug 1792.

(1) Do you see what I see? No record is given of David's buying the land, anymore than there is of Charles Bunch buying his--I think Judith and Charles inherited the land from their father. Anyway, if I can hold my head up that long, we are going down to Louisa Thursday night, to look at those wills, which always tell so much more than just the relatives, named--which seems to be all that abstractors think you will want.

(2) I have one real question: on John A. Bunch's (Joplin, Mo.) records he sent me--from you--he has Thomas^5 (David^4) "d. Grainger Co., Tenn., wife Jenny". I have looked and looked, and do not find that in Mr~~s~~. R.H.Bunch's records. Is it from you?

(3) My other wonder: in your quote from "Aunt Biddy's Journal--are Nath'l, Charles and Susan supposed to be the children of "Charles and Mary of Va."? (I know Nath'l is).

Yours Alice Park

OF VIRGINIA

1. JOHN^1 BUNCH came to Virginia ca 1652;[a] if 17, as one tradition goes, then he was b. ca 1635; he was assigned 450 acres[b] in New Kent Co.,[c] Va. 18 Mar 1662; if 21 at that time, then he was b. ca 1641--so we take it his birth date was ca 1634-41. This John^1 is listed by DeWitt Bunch as "(a) John". If he was 25 when he married--a usual way for figuring ages--he married ca 1660-65.

There is an old tradition in East Tennessee[d] that the first Bunch in this country was "a ship-wrecked lad on the coast of Virginia". In his teens he went along with a party intent on recovering prisoners and property held by the Indians, and it was by using the boy's strategy that they succeeded. There are several versions of the story; one has it that the first Bunch came to America at the age of 17.

John^1 had ISSUE, BUNCH:

2. John^2 Bunch, b. ca 1665-7?

2. JOHN^2 BUNCH (John^1 Bunch), b. ca 1665-/ 1667? Was he the John Bunch mentioned on the Rent Roll of New Kent Co., Va., 1704?[e] (At that date it still included what became Hanover Co. in 1720). If married at 25, he m. ca 1690-92? (DeWitt Bunch omits this generation).

John^2 had ISSUE, BUNCH:

3. John^3 Bunch Jr., b. ca 1690?

Easter Monday

Dear Mrs. King

You surely are an inspiration to do bigger and better things! Found your letter when we got home yesterday--we spent the weekend near Charlottesville, Va., and very foolishly, I know, we went to Louisa Courthouse on Friday. I mean foolishly, because I am not really strong enough for that, and standing up to read the big books put me to bed the next day, but anyway I learned a lot. Among other wills, I looked at Samuel's, and saw the proof of the idea I had had on Judith--I believe you and I mailed letters the same day, with that idea. You know, his will is strange--for one thing, girls usually got money, the sons the land; and he made such a difference between what he gave the children. Five shillings--I don't believe that was any more than it sounds like, which is nothing.

Nathaniel's will was interesting, too--I don't believe he married, and he set his 14 negroes free, land to be sold to provide money to send them to Liberia, or "some other place in the U.S. where they can enjoy their freedom". He left to "Sarah E. Hughson, d/o Dorcas," a large amount of land, furniture, etc.; and "I lend to Mrs. Polly Bunch, the widow of my late brother Paul Bunch"; the balance . . ." after her death to go to Burwell G. Bunch.

The David Bunch Bible has the entry of the death on 4 May 1807 of Polly Bunch just below the entry giving the date of death of David, 1776. I thought that meant David's wife, Polly, but Mr. R. H. Bunch says Polly, wife of Paul Bunch d. 4 May 1807, and does not give any date for David's wife. Nath'l's will shows that the 1807 date was for David's Polly, since Paul's ~~wife~~ widow Polly was living when Nath'l wrote his will 12 Apr 1833.

Another thing: have you ever seen those Quaker records "in person"? It struck me as strange that they would have reported back about Nancy condemned for marrying from as far away as North Carolina. (New Garden Monthly Meeting). In Samuel's will, did you notice that he gave dau. Mary 124 acres in Albemarle Co. "in a place called New Garden"? That would seem a lot more logical a place to report

One Sam'l m. 1814, d. 1869. (Wife Maria, in will).
Sam'l O. m. 1826 –

from--and since Ann only got 5 shillings maybe Mary had taken her in.

David^5 Bunch left will dated 24 Oct 1834, proved 9 Feb 1835--had a big value in negroes, and lists his children, to have certain things after the death of wife Judith: "my son Sam"
"my daughters Judy Jones, Polly Hope, Elizabeth Eastham and the chn. of my daughter Clarissa Bunch",--must have been dec'd, but he didn't so state.

He repeated this list, giving the daughters their married names, and again saying Clarissa Bunch--so obviously there was one more cousinly marriage: she was the Clarissy who was 2nd wife of Suprey^6 d/o Pouncey^5. There were several children of Clarissa, as he refers to when the youngest child will be 16.

This gives us 2 Samuels: the son of Samuel^4 b. ca 1759/60, and the son of David^5 b. possibly ca 1785? And I wish Iknew which was which--I do wonder if the younger one was Samuel O. Bunch--he is listed as first on the buyers at the sale of David's things. (And I wonder if the O stood for what it stood for in Mary O.'s name--David^4's wife).

Your items: I have changed as you say. About Calloway and Nancy Bunch, the wording is not the same as Mrs. Botts sent me, and I would not make the same assumption from your quotation as I did from hers. If she does not answer a letter, I will cut that out.

It is true that Pouncey and James Bunch were close together, and "Elizabeth" could have been James' dau.--I don't know the language of the will, concerning grandson Walter.

I did send a list of marriages for which we have not found a record to a genealogist at the State Lib., Richmond, but no answer so far. Pouncey's marriage was one, and another was John Bunch, m. Hannah Cruze.

About Sarah"Bowles"--I believe I thought that was her name because of the record on p. 39, Mr. R. H. Bunch: BOWLES, JUDITH, alongside the Ga. record. So I thought she must have been an aunt, or something, but if you think I had better not be so free with my "thinks" I'll skip that. (But what does the Judtih Bowles mean?)

Item: I looked for, but did not find the record of Phoebe Bunch as witness--not on the page as given, anyway.

Dear GENEVA

There, I got it out--I am tired of writing Mrs. King!

I hope you can put up with me for a while, until I have this to suit you and me, both--if it weren't for you, I surely wouldn't be doing much of it, and I need to know the name of your family organization; what office you hold in it; how many years of digging for the Bunches do you have behind you? I want to be sure that it is clear who did the work.

If I do not credit a particular thing to you, it will be because I had found it--for instance, the Valentine Papers, at the DAR Library. But I have not put in the footnotes, because I am not sure how to do it. I want to ask the Librarian (when I can get there) if I use the Valentine Papers' pages, or do I give, what is much more useful and authentic, the original sources which those pages refer you to. I'm not writing for a librarian, but I don't want any librarian looking down her nose at OUR book, either.

After 2 months, when I certainly did not expect it, I had a letter from DeWitt Bunch, saying he was sending me the Record for 1965, which I did not have (and asked for long ago). It fills me with despair, because I do not know how I tell fact from fiction: David^{5}Jr. he says is the David who m. Elizabeth Wright; and the reason I had put in that Simeon^{6} (Calloway^{5}) could not be the Simeon who m. Lula Boone is because he said that was the Simeon who m. her.

Query: who is"Charles Bunch of Butler Co., Ky., 1793-1859"? Probably right under my nose, but I can't see him. I am glad to have names of living descendants, even when I can't give all the steps in the lines which lead to them. I am taking more room for Calloway, however, carrying him on to list in the next generation, by himself. I thought there was too much to crowd in, under Henry; am doing the same with ~~his~~ Calloway's son William^{6} for the same reason. (I can hear some of Jesse's descendants now--what did she put them in, for?)

I had a letter today from a man in Falls Church, Va., (Mr. Brown) near us, whose wife is from the marriage of Mary Jane Hughson (from Paul^{5}) with David L. Bunch.

What he really wants to know, is who was David L., + who were his parents, and he had written to Miss Alma Bunch, who did her best, enclosing a chart which I am going to ask Lee to copy for you. She (and also Mr. R.H. Bunch, in 1939) told him that David L.'s father was Samuel--true-- but they say it was Samuel O; (which could be); and that David L. had 2 sisters, JUDITH AND MARTHA; and that Samuel's mother was FANNIE. I enclose copy of the notes I made from Samuel's will; also David^5's and Samuel O.'s.

I quickly copied off the list of wills you sent me, and sent them down to Louisa Co., asking for photostats. I would go, but I simply can't make it.

Miss Alma says that Samuel (m. Marina) 's will says his mother was Fannie. Didn't you say "Mary"? She also says"the will of Fountain Bunch filed 21 Dec 1860 names Samuel O., Judith and Martha Bunch" (and then SHE adds) "all four, children of David Jr., and thence brother and sisters of Fountain".* There wasn't a Fountain will on your list, but I will ask if they have one at Louisa. She doesn't say,-and Mr. R. H.'s family came from Fluvanna, so this will could be there, ~~too.~~ (R.H. said that "David L.'s sister Martha m. Benj. Faris, and their dau. Mary m. my uncle, Reuben F. Bunch".)

I did want to ask you something: Since on the Tax Lists, 1782-87 there were several Bunches around, how do we know that Winston, Winslow, etc. have to be chn. of John^3's children? There were Charles and Joseph in Bedford Co., and Zachariah in Botetourt. We have not seen anyone who inherited the 450 acres the first John rec'd--maybe he had more chn. than John^2. And, by-the-way, there were LOTS of Winslows in Louisa Co.--maybe they married one of them, or liked the name.

If I don't hear from you otherwise, I'll copy off the list of possible chn. of Wm.^{4} as you sent them, omitting Sarah (you ~~thought~~ belonged elsewhere).

Lee made a copy of the chart Miss Alma sent Mr. Brown--it agrees with a letter Mr. R.H. sent Mrs. Brown's uncle in 1939, in which he says David Jr. m. "Fannie" and had Samuel O. Now, that may be right,-that Samuel O. was s/o David and Judith--but you notice Mr. Bunch, while saying David L. had sisters Judith and Martha, did not mention the brother and 2 sisters he certainly did have, according to the will of Samuel-m.-Marina. Did you ever hear before of another Judith and sister Martha? I can't wait to see will of "Sam" Bunch--probably won't tell a thing, either!

Alice

* Miss A. says in settlement of Fountain's will S.O. and R. F. Bunch appear:"Samuel O., and Reuben F. Bunch"-"his nephew"

Dear GENEVA (after all, I was 70 last fall!)

I have just finished putting on yellow paper the possible chn. of William⁴ and find I have a couple of questions, enclosed. I have also just finished "translating" the will of James Bunch, d. Bedford Co., which arrived today.

I think you were exactly right in thinking James' dau. Elizabeth m. Pouncey; Pouncey had to be married 1773 if dau. Rhoda was 16 when m. 1790; in Jan 1773 Pouncey bought from Samuel⁴ 60 acres on the south side of the South Anna R. In 1780 Pouncey and Elizabeth sold land in Louisa on South Anna R.-60 acres-but in 1785, when James⁴ sold 168 acres to James Watson, he described it as being "adjoining lands of aforesaid James Watson, James Bunch and Pouncey Bunch, being the tract of land wherein the said James Bunch now lives". So Pouncey was still there. In James⁴' will, he states: "To my daughter Elizabeth Bunch I have already given sixty acres of land in the County of Louisa"--so maybe their 2 60-acre plots did not adjoin, and they sold one. (She got nothing more in the will)

Each daughter, it seems, got a Cow and Calf, a Featherbed and Furniture, and most of them had that already. Sally Scott, if you care, was given six head of cattle, a horse and saddle, and a featherbed and Furniture" besides sundry Trifles on her removal TO KENTUCKY". Refers to "Blackstone Gentry". Never thought of that, it may be right. After the death of his wife, anything else is to be divided equally among the chn., except that James was to get extra--he was such a good son--and Molly Gentry was to get 10 pounds "because I once accidentally deprived her of one of her fingers".

"I intended to have mentioned my grandchild Walter Bunch . . . (illegible, on a crease) my desire that he shall have a horse and saddle . . . . a suit of clothes, provided he lives with my son James until he arrives to the age of twenty-one years". I wondered if Walter went with them to Bedford Co.

Re your 1820 Cen., Louisa--don't give up. I am sure you are exactly right on your idea that Burwell and his mother were living with Nath'l, who apparently did not marry, and in his will, except for freeing his negroes he gave everything to Polly, her Burwell, and especially Sarah, the other dau. (I had never heard of) of Dorcas Bunch HUGHSON. Dorcas may have been living there too. WHERE are the chn. of Clarissa and Suprey? They were m. Dec 1811, and there isn't a child under 10 in his family. Clarissa's father referred to her "children". // ~~and~~ Since Mr. Brown's 1850 Cen. gives Sam-m.-Marina as an age to be b. 1788, yes, he could be s/o Anthony and Mary⁵. But we have to find out, most, WHO was David & Judith's son "Sam". Ali

I was glad to mail that letter + chart off to you, last night – the whole thing was giving me nightmares.

1. Questions:

Under John Bunch ("if not the son of Samuel 4:")

it says:

"John & John Jr. appear in Deed & Minute Books of Grainger Co., Tenn., 1797 through 1830; in 1792 he was in the Capt. Etowah Campaign in Tenn., under Gen. Sevier. John's wife was Mary Asher (source?) issue Samuel, b. 4 Dec 1784; John R., b. 11 Feb 1786; several daughters. Died 1812 - 1820, Grainger Co., Tenn."

Should the Deed & Minute Books read "1797 thru 1820?

2). How do you know about the sons, their dates, etc? (I suppose you have a descendant around).

Dear Geneva

I have been working on digesting all the riches you have sent, and holding off writing you because I expected each day I would have some wills from Louisa to tell you about. No--I even went so far as to call them up and ask the cost of 3, so I could send the money with no delay. (So far they have completely ignored the typed list I sent them, copying your data). I did send the check, but no answer so far. I am feeling better, finally, and I think I am going to have to go down there. It is off from anywhere, in an area that is not used much for farming, mostly cut-over woods, which they sell without waiting for the trees to get any size. No wonder the Bunches left. A "foreigner" we talked to when we first went there told Lee "This is the boondocks--they don't even have OUTDOOR toilets".

Then I had last week the enclosed letter from DeWitt. I decided we would get somewhere only by taking one thing at a time, so I started on David and Judith, and worked on the enclosed "argument" on David etc. I enclose it for you to see if I covered the ground adequately, or if you have suggestions--since DeWitt is now the Voice of Bunch, I don't want to say one thing while he says the opposite, but if he holds out against wife Judith, I will have to include the argument in favor of Judith in the book, because I am convinced this is the way it was. Furthermore, since Anthony and wife sold to David in 1794, after the youngest son came of age--(1793) as David^4 had specified--but before Mary"Polly" died, I believe the only reason Anthony could sell, with Mary to have a right in all David's lands while she lived, was that Anthony was selling to his BROTHER DAVID--so Mary's rights would not have been affected. (I think this is another link in Who David was).

I have not asked ~~Lee~~ to make a copy of Samuel O.'s will, but enclose it for you to see the whole thing--it may mean more to you than it does to me. (I have a copy of DeWitt's letter, so no need to return). I enclose 3 pages of David's line, for you to criticize, especially Wm., Anthony and Thomas. If you disagree with statements or conclusions, please say so.

I am fascinated by your having the surveyor's work; were these the only Bunches? Or where do I write to ask more? I did not see another reference for Anthony in the Will Book, but IF they send me the name of a genealogist, as I asked, I will ask him or her to look further, for names of A's chn - Who were all those people with him, 1820 Cen ??

The records which I believe mean (1) that "David Bunch Sec'd", as he is named in the David Bunch Bible--b. 25 Mar 1759--m. "Judith"; (2) this Judith was the Judith who was the daughter of Samuel Bunch"the Quaker"; (3) said David and his wife Judith had daughter Judith who married 1816, Louisa Co., Va. Thomas JONES.

(1) Louisa Co., Va. Deed Book G, p. 219, dated 13 Aug 1792: David Bunch "and Judith his wife" of Louisa Co. sold to Anthony Bunch "100 acres in the fork of Camp Creek, being the same tract of land which Samuel Bunch, late of Louisa, purchased from Roger Thompson".

(2) Louisa Co., Va. Will Book 2, pp. 474, 475, Will of Samuel Bunch of Louisa Co., dated 30 Jan 1782. (This was Sam'l Bunch, the Quaker). To his "daughter Judith" he left "100 acres between Camp Creek and New found fork which I purchased of Roger Thomson". The only way David and Judith could be selling land left her by her father, with no record of sale between, was that David's wife Judith was also one and the same as Samuel's daughter Judith.

(3) Louisa Co., Va. Will Book 9, p. 205, Will of David Bunch of Louisa, dated 24 Oct 1834, proved 9 Feb 1835: "To my wife Judith" . . . certain lands and negroes; "to my DAUGHTER JUDY JONES", etc; also named "son-in-law Thomas Jones". (Louisa Co. Marriages give the marriage of Thos. Jones on 11 Nov 1816 to "JUDITH BUNCH, over 21, DAU. OF DAVID"). Louisa Co., Va. Will Book 10, pp. 473 through 478, account of sales of property "belonging to the estates of DAVID BUNCH AND JUDITH BUNCH, dec'd", date 3 and 4 Oct 1839. (Both "[illegible]" and "W [illegible]" bought at the sale.

David Bunch Sr. left to his sons David and Anthony 55 acres each, "land lying on the north side of the creek called Sycamore Fork", and apparently adjoining. David and Judith sold to Anthony her 100 acres; 2 years later, 4 Feb 1794, Anthony and his wife Mary sold to David Bunch of Louisa the 55 acres, by description, that Anthony had inherited. Thus, David had 110 acres of land in one piece, and Anthony had 100 acres nearby.

Keep, if you want; return if you don't want; criticize or change, as you want.

Apr. 1972

Dear Mrs Parks,

I have spent quite a bit of time with my records, before answering your letter. I feel that I have it clear in my mind however we do not agree on all points. The death date for Mary O. wife of David (aac) you are correct. David (aacg) did not as you say Marry Elizabeth Wright, but I have run across nothing about a wife Judith for him either.

I believe David (aacg) was David Winston Bunch, born 1759 and died 1830. He married Eliza ____ and had a son David W. who married Elizabeth Wright. David Winston was in the Rev war under Winston. He received a military land warrant in Kentucky of 100 acres, Warrant number 3998, dated Nov. 19, 1785 for three years as a soldier in the Virginia Line.

The David which you thought to be (aacg) was John David Bunch also born in 1759. which I have as (aaec) son of Samuel & Mary. He had a sister Judith and a daughter Judith but I do not show a wife Judity for him. The only wife listing I have is for Fannie.. The four children that I have for him are: Samuel O., Fountain, Judith and Martha. At least two of the children agree with your list of five. The use of two given names & nick names always create a lot of problems.

The David P. you mentioned as a brother to Henrietta is David Pouncey, they are children of Suprey B. The other children I have of this family were: Thomas, Susan, Edna, Elizabeth and Richard B.

Samuel (aaea) son of Samuel & Mary, sorry I still draw a blank on this one. However, Mrs. King has done an awful lot of work on this line and she is nearly always right when she comes up with a connection.

Samuel O., son of John David and Fannie married Marina Arnet. I do not believe that this was his first marriage as he would have been in his mid-thirties at the time I do not have any information on this earlier marriage but just this theory which you may be able to check out. I believe that from this first marriage that a son was born and named Samuel O., the one that married Malinda Perkins. Here is the points that I took into consideration: 1) the same name and initial. 2) In the list of Early marriages of Louisa C, only two were listed as being married by Rev. Robert Lilly. The other one was Ann Rebecca who would have been his half sister. 3) Burwell G. was listed as the signer, was a distant relative, but was close to them as Samuel O.'s son David L. married Mary Jane Hughson. Mary Jane was a niece of Burwells (the dau of his sister Dorcas.)

Copied under Pouncey

As to the Tanyard in Wilkes Co., Ga. I do not have the source indicated. My record under John A. just says had 1/2 interest in Tanyard in Wilkes Co., Ga with brother David W. Under Pouncey's listing it says received 1/2 interest in Tanyard from fathers estate, 1820. I found the fol. on page 199 Early Records of Ga under the heading Wilkes Co: BUNCH, Pouncey, dec'd Inv. shows he owned half of a tanyard. David Bunch, admr. Receipt of John A. Bunch, admr. to David Bunr for $5.00 part of a bond said David and Pouncey owed the est of John Bunch dec'd. Gideon B. and Hannah C. Bunch one under and one over 14 years old, choose Jas. I hope that I havent confused you too much.

I have received copies of some wills or records I requested from Louisa Co., Va. several weeks ago, and one is of special interest. The only source they have on it is: OCC, p. 137, and I will inquire what that means. (CC = Circuit Court ?)

It is the report of a circuit court held Friday 21 Sep 1860, where Samuel O. Bunch "adm. of Judith Bunch dec'd" appeared, against the Ex'or of the will of Fountain Bunch. (Presumably because Judith had been ~~was~~ one of the beneficiaries of Fountain Bunch, and so was Samuel O.) It quotes the will of Fountain Bunch, dated 24 Apr 1859:

Names: Fountain Leake "when he is 21 years old". → (Samuel O. left him land in 1881 –
"my brother Samuel O. Bunch"
"my sister Judith Bunch" – (so she did not marry) – during her life;
then the estate is to be sold and divided among:
"the children of my dec'd sister Martha Faris."

The 1860 Census for Louisa Co., Va. listed a Judith Bunch, 70 yrs. of age, so b. approx. 1790. She must have died soon after the Census was taken, as she was dec'd on 21 Sep 1860.

I realize Judith Bunch could have married another Bunch--as Judith, d/o Samuel the Quaker did. But that Judith, as well as her husband David, were dec'd when the sale of their estates was held 3 and 4 Oct 1839. (Will Bk.10, pp. 473-78) David and Judith had a daughter Judith, but she married Thos. JONES, so she was not the Judith Bunch listed 1860 Census for Louisa Co.

Fountain (also given as Fontaine), Samuel O., Judith and Martha were brothers and sisters--neither Fountain nor Judith appears to have married; Sam'l O. m. 1826 Malinda S. Perkins; he d. 1882, leaving will/in which he/names apparent daughters (he does not say they are) Betsey BELLAMY and Sally, wife of Lansey LASLEY; Martha m. 1813 Benj. Faris, d. before 24 Apr 1859, when Fountain wrote his will.

David, s/o David Bunch Sr., in his will named only "my son Sam" (no Fountain) and four daughters--no Martha, and no Judy "Bunch" (because she was married to Jones – he called all four daughters by their married names). So I do not believe that Samuel O. was the son of David "Sec'd", and hope we can find who were his parents,

There is positively NO MENTION of his mother in Samuel's will (wife Marina?) –
& by the way, the will does say Ma[illegible]na – not Maria) as R.H. has it –

Dear Geneva

You are a dear, good girl, and you do know that if it were not for you, I would not be putting anything into this book about the early Bunches except for the page or so I first sent you. With your help, I am willing to struggle, because when I started looking for Bunches, I decided it was an imaginary name--it is not listed in that book of Family Names from the first Census--or some such name. And when I did find a David Bunch Bible record by a DAR committee, they didn't have Jesse's father, John5, listed at all. (This is the SAME Bible record, believe it or not, that Edward was so good as to give me, and John is right there, big as life--Jesse, too). So I would like to have BUNCH up where people can find it.

I was so bogged down with DeWitt's Grainger Co. records--if I understand him correctly, he says that the Capt. John Bunch of that co. was David's son, John5, and John Jr. of the co. was John A.6 Notwithstanding the list of chn. of Capt. John, not to mention his wife's name-Mary Asher?-which do not agree with Mr. R. H.'s record (from the family, I am sure) of the wife and children of John5. I can't be sure whether I am dense, or if this is what he means--and of course the record of Mr. R.H. and of Edward, too, omit any information on John A.6 except his birth date. At least, I find nothing more--except in the Wills etc. at Louisa, a sale June, 1820 to settle affairs of John Bunch dec'd, by "John A. Bunch, Adm. for JOHN BUNCH--no A. Actually, the Va. Baptist gives the date of his death 1821--must be copied wrong? (p.3 — 1820, p.25)

So, when I found Lee could not go to Louisa this week-end, I went down, early, to the Archives, cheese sandwich in my purse, and looked at Census--1830, 1840 (hastily at) 1850--to find age of Sam'l O.--and 1860 Louisa Co., and 1850 Fluvanna.

That was Wed. That night, I thought: Samuel O. and"Fontaine" were on 1830 (and 1840), so in 1820 they had to be somewhere around. I made you a chart the way I do for myself--it shows age-brackets by years, and those don't change, except for the usual variations in Census, so are easier for me to compare people on more than one Cen. (I take sheets ready to mark, to Archives) Sam'l O., 1850, was b. ca 1792, so I looked at 1820 for males in column

and on 1820 Cen: (Same page as Thos. Bunch): John A. Bunch, b. 1771-80; female b. same period; others. Must be John A.6, b. 1776.

P.S. Thank you for the card -

labelled "b. 1776-94". to Mr. Brown

Samuel-m.-Marina is there; Anthony's son-in-law; the male of that age with Nath'l was prob. the husband of one of Burwell's daus; so that idea wasn't so bright. However, remembering the variations on Cen., I wondered about the 2 males with Sally and Son, b. 1795-1804. Do you suppose Samuel^{5}Jr. could have had a son or grandson who was Samuel O.? Or do you have any theory about the family with Sally and Son?

"Fontaine", on both 1830 and 1840, was b. 1791-1800, same as Sam'l O. in 1840; Sam'l O., 1830, was b. 1781-90--so maybe he was b. ca 1790, and could have been in either group. If Sam'l O. belonged with Sally and son, so did Fontaine, and there were those 2 males, b. 1795-1804??? Their sister Martha m. 1813, but Judith (the 3rd, I call her to myself) could have been one of the 2 females Sally had, b. 1776-94--the 1860 Cen. makes her b. ca 1790. Or is this one "think" too many?

I was just looking over the Cen., and saw the John A., 1830, who must be the son of David^4. So what happens to the Grainger Co., Tenn. angle? I did not find him in 1840. John A./b. 1776 was the brother next younger to our Jesse, b. 1773. He was in Louisa Co. to sell his father's holdings in 1820, but not on your Census--maybe I will send for the --no, they don't have Ga. Cen. Anyway, I saw in the Mormon mag. an ad for Tax Lists for Va., and promptly sent for the Only one they had for Louisa--1810, and the very one we can use, so I am watching the mail. I am very slow, learning all these people, and thought we would be over this hump weeks ago. (May PARK flock sound plaintive--WHEN WILL IT BE READY?

1860 Cen: Garland Walker, and wife Henrietta had twins, b. 1854, and one was Martha Garland Walker--the one who m. 1872 Zachariah A. Bunch^8, remember?

David and Judith's dau. Polly HOPE is 76, living with(son?) David M. Hope; D. and J.'s dau. Eliz. is listed with David EASTHAM (she was 10 yrs. older than he, on both 1850 and 1860). Others are Burwell G., Judith Bunch(who d. soon after Cen.) Samuel and Marina (didn't see Sam.O.) living nr. dau. Ann R. GRUBBS.

Fluvanna had mostly Mr. R.H.'s family and Faris families, except for David P. Bunch, s/o Suprey and Clarissa. Suprey is SUPRA, as on 1820--maybe a Latin name?

– Alice –

to Mr. Brown:

Another tidbit from Miss Alma: An S.W. Bunch of Grottoes, Va. sent in record (but not any family background) of Fountain Bunch, b. 1839, d. 1912; he was the "4th child of James and Sally Farrel Bunch," who had 10 chn. in all. She says vital statistics given, but not where they were born or lived.

from Alice Park 11 apr '72

I meant for you to keep the 1830 Cen, of course. I did subscribe to DeWitt's pub.--I just didn't know about it at first. I sent him a check, but I do think it's funny that he was writing me, when he started up, + didn't mention it.

Dear Geneva

I have just made a copy of 1840 for you--it is shorter than the others, and some names I took down to show they were there, didn't put in the household.

I spent yesterday-Sunday-(and as Lee said, while we were eating dinner out, at the Club, "And you would still be at that typewriter if I hadn't got you out") making another page for Samuel, to include what I strongly feel are the descendants of Samuel Jr. and Sally. First, I exchanged Sam'l Jr. and Judith, in our ~~the~~ list of Samu'l5's chn., as that makes Judith b. 1759, the same age as her husband, (instead of older) and it makes Sam'l Jr. b. 1754, old enough to have had a son b. 1775. (1) Lee took the sheet to copy it, so I can't refer to what I did, but even my lawyer husband, who suffers nobly through repeated readings of pages, thinks it sounds convincing. If not to you, I know you will say so, and we will work out a compromise. (He copies pages, as I don't want great thoughts lost in the mail, then I mail the originals to you, because of this thin paper--the copies are always on heavy paper).

I only looked at Fluvanna 1850, but it was thick with "Faris", and had Reuben F. Bunch, whose wife Mary H. was d/o Benj. and Martha? (Bunch), so I believe that the earlier Cen. records might have Benj. there. I will look at 1820 Fluvanna--your idea is good, and the older male could be a son-in-law just as well as a son. I'll leave Sam'l Jr. b. 1754, anyway.

The reason I had put Sam'l Jr. where I did on the list was that if he was disowned for military activity, I thought of him as a boy 18 or 19--but I suddenly realized that in 1779, when he was disowned, the real action of the Rev. was in the South, and he might have felt he was needed. So he could have been a man, not a boy--and I had based my idea of his place among the chn. of Sam'l5 on an error in thinking. (At least one error)

William isn't the only UNKNOWN--how about that David, 1810 Tax List?

Your Frances Arnett "the only one" 1820 is you don't know how valuable. Louisa Arnett, who m. Thos. Bunch was "d/o Lastin". 1810 Tax List has "Lastly" Arnett. In 1860 Louisa Bunch, widow with 2 teen-agers was living with FRANCES Arnett, 85, worth $8,000. Two ideas: Louisa was with her mother, so Frances' husband had been Lastin/Lastly (LASLEY?). Marina named her 2nd dau."(Marina)FRANCES"; her 1st son was DAVID L.--named for both his grandfathers? I feel that is another link in the theory that Samuel-m.-Marina was the son of David and Judith,-and Marina was sister of Louisa--the 1820 Cen. gives Frances a dau. b. 1785-94. That was Marina!

I think all of John^5's sons were on 1810 Tax List: Anderson^6, Jesse^6 John A.^{6} (Jr.) Josiah C.^{6} Pouncey^6 & William^6.

Pouncey^5 had 1 son there: Walter^6.

David^5 had son (Samuel^6) with him -

Leaves that one David, with the "(L.S?)" after his name. I wrote to the woman I got the list from, & she suggested it could mean: "L.'s son?" Maybe you can do better than that?

Dear Geneva

I don't have any 6-cent stamps, so I may as well add a word. Hurrah! 6 times! I know that feeling--had it twice with the Parke search. In milder form, I was very pleased to hear about Judith's parents, Saml. and Sally from Mr. Brown, and I must say I opened my eyes about him--how did he know there were death records in there, for Va? He says he is writing now for the sisters of Samuel m. Marina, hoping to find at least one which says who their parents were. (And it had BETTER say David and Judith). (I had written him I did not believe Saml O. was s/o David, + that's why he sent for the records).

The 2 copies of the RECORD arrived, and I was amused at DeWitt--remember he said, about Samuel5, s/o Samuel4 and Mary, "Mrs. King is nearly always right, but sorry, I still draw a blank on this one". So in the May number, page headed Coos County, Oregon-CONTINUED, he says "Charles was supposed to have been raised by his Uncle Sam Bunch. My records show that he did have an Uncle Sam, who was in the Rev. War* (???) but ~~could not have been the same~~ . . . his uncle Sam died about mid 1790s." (I had told him you thought the Samuel who d. 1794, leaving Sally, was s/o Samuel4 and Mary.) So I do wonder if he now has a card in the Index showing just what you said.

* Is he just making this statement on the strength of the Quaker record?

I had a strange letter from him last week--he has never answered my letter about David and Judith (nor sent Lee a questionnaire to fill in) but he said (rather frantically) he has tried to settle the ancestry of a Mr. Franklin Swope Bunch of Florida. And between what he says F. Swope says, and what he, DeWitt thinks it should be, it is only equalled by that chart from Miss Alma for sheer confusion and mistakes. He insists that Zachariah Americus Bunch and Zachariah M. Bunch were the same person. I couldn't decide whether to even TRY to tell him about them, but finally made out 3 pedigree charts and typed them, and I told him if he would give me the address, I would send copies to the man in Florida. (I'm not expecting to hear).

It was nice of you to say the book is going well--I was feeling backward about facing the world with the finished product, without having any idea whether it was good or bad or even pathetic! I have just finished doing over Thomas5, as I didn't think he sounded just right. Lee is making a copy for you of the computerized 1830 Tenn. Cen.
Tell me quickly any individual Bunch I should get the family record for — they are only 50¢ apiece until Aug. 1. Alice —

John A. was NOT a "DR" - that was used for "debit", opp. of CR. for credit.

22 June 1972

Dear Geneva

I am just home from a TOUR: Albemarle, Fluvanna, Goochland, and Louisa (in that order). We had been down to Charlottesville for the weekend, and Lee came home with some friends, leaving me with our car to prowl around in. I don't know why he didn't want me to go down there to those places, but thought it was alright for me to stay when we were there! Anyway--got home last night, after driving in a downpour both days, and have not had time yet to arrange or digest, but I have had time to see that I picked up 2 problems, which I am counting on your active imagination to figure out.

1. Marriage record in Fluvanna: Americanus Bunch m. 1844 Elizabeth McLain.
(Mr. R.H.'s record: Richard Bunch m. Sarah McClain and had son:
Z. Americanus b. 1848, m. Martha G. Walker.)

While copying these records, it occurred to me that the "dec'd son" of Sam'l and Marina, which is not really intelligible, might be, instead of "Mericanus", Merecanus. So, at Louisa I looked again at the original, and there is definitely no dotted i--and he does dot his "i-s" in other sentences.

But that doesn't do any good, either, because he married Sarah E.--and AS I WRITE, I see that that is exactly who it was--her maiden name is never given, but she did make her 2nd marriage in Fluvanna, 1851, as Sarah E. Bunch, to Robert Mitchell, and ~~he~~ Samuel calls her Sarah E. Mitchell in his will.. She was Sarah Elizabeth McClain. And Richard got the name of Americanus for his son, from the son of Samuel and Marina. After all, Richard and Merecanus were 1st cousins--weren't they? And by-the-way I believe that Samuel and Marina did not approve of Clarissa's marrying her cousin Suprey.. I had thought when I read the will, first, that Clarissa was dead, as he lists at least 3 times what is to go to "my dau. etc., naming each one, and then, "the children of my dau. Clarissa". I read it again, carefully--and she was on the 1850 Cen.--and though her children got their share, as Clarissa's sisters did, NOTHING went directly to her--she had the use of their inheritance until the youngest child was 16--then it was all theirs. That is why her dau. Louisa P. left what she had to her mother.

In Goochland, near Richmond, there were 2 Bunch marriages--no deeds.

Problem:

1. John Bunch, m. 29 May 1818 (guess who) Judith Bowles. (Lots of Bowles in Fluvanna).
Security Pouncey Bunch.
2. Pouncey Bunch m. 21 Jan 1814 Sally B. Mallory "21 years of age"; Fleming Massie, Sec.

Is that John A. Bunch? for whom we have no marriage record —
Then brother Pouncey m. a sister about the same time?
If those records had just been the other way around!..

Thank you for your marvellous copy of R. H. Now tell me what we are going to do about the errors on p. 41 - Lee says we surely not going to perpetuate errors?

Winslow's wife was named SELAH.

25 June 1972

Dear Geneva

Thank you for all those records--it is plain that there is to be another Bunch Book: The Bunches of Tenn. and Ky.,--when you get around to it.

I will tell you the good thing first, that I found at Louisa: Deed Book J, p. 86, date 18 Nov 1800 "Thomas Bunch of the State of Tenn." sold to Paul Bunch and Nath'l Bunch of Va., for 159 pounds, land on Camp Creek--71 acres. (his inheritance). So there that is.

Deeds concerning JOSEPH:

1. Book D½ p. 432, Joseph bought from John Bunch 11 Jan 1773 land in Louisa Co. between S. Anna R. and Hudson's Creek,"along James Bunches line"--22 acres.
2. Book D, p. 207, date 11 July 1774--Joseph bought from James Bunch and wife Mary land in Louisa between the South Anna R. and Hudson's Creek: 14½ acres.
3. (In 1776 Joseph inherited 60 acres "on both sides of Hudson's Creek"from David.^{4} This made a total of 96½ acres he owned on Hudson's Creek)
4. Book H, p. 291-27 Jan 1783--Joseph bought from Robert Baber and wife Martha for 60 lb. land "lying on both sides Foster's Creek--69½ acres.
5. Book H, p. 380--date 13 Apr 1784--Joseph Bunch and his wife Mary "for divers good causes and considerations him thereunto moving but more especially for the sum of 15,000 pounds of Richmond tobacco", sold to James Watson land in Louisa Co. "on both sides of Hudson's Creek" containing 96½ acres, "to Pouncey Bunch's line, thence along his line to James Bunch's line".
   Signed (Joseph Bunch
   (Molly Bunch.
6. Deed Book K, p. 145, date 15 Feb 1804-"Joseph Bunch and Molly his wife OF THE STATE OF SOUTH CAROLINA"sold to James Armstrong of Va.(for 100 pounds) land in Louisa on both sides of one of the forks of Foster's Creek--148 acres.

M.Ca, 1779? Mollie Anderson?

I would just say there were 2 Josephs, but as Lee says, Who else had a Joseph? The 1st five items are obviously referring to Joseph^5 s/o David and Mary O.

The computer people have nothing earlier than 1840 for South Carolina. In fact, I'm stuck. There is that David and Anderson with Joseph in Grainger Co. and maybe they got there between 1804 and 1810 Census. BUT-- (Think of this while the beet pickles cook--and do they sound good).

I looked up Thomas^5 as you said, in the Record, and he can't have it both ways: p. 6/ Thos. is in Grainger Co. 1799--which is prob. right--and then on to Henry Co.; but on p.52 he has the same Thos. departing this life 1798, (will) and he doesn't say anything about maybe he didn't die then. I think, though it may be useless, I will write to ask for that date when will was proved.

I thought you would enjoy the wording in #5, as I did--it was used in many deeds.

Alice

2 July 1972

Dear Geneva

I have been so BOWED DOWN over the Bunch complications that I felt like pulling the covers up over my head and staying there. Don't tell me that anything short of an active imagination would have thought up just eliminating an Americanus, putting Richard in limbo.

Lee made a copy of DeWitt's letter, which I enclose. You will see that Mr. F. Swope Bunch dragged in Samuel and Marina, which gives color to your theory, all right, but also looks as tho' he has had from either Mr. R. H. or Miss Alma that "badly mistaken"--as R.H. said about a correspondent!--theory of his about

1. ? David5, his wife, and his children. Do you think I should ~~type~~ send Miss Alma typed copies of David's will, naming his wife and children, and also the will of Samuel, wife Marina, which named his children? (That had to be where Mr. R.H. picked up the name "Fannie". Only he got his notes mixed, and put her in where she did NOT belong; in his report on Samuel's will he names the grandchild John Willoughby, and nobody, beginning with R.H., noticed he did not give any daughter who would have been the child's mother). If Miss Alma agreed, then we could just correct the will record.

Actually, I was so depressed I just went to work on a family on the PARK side that had sent in, late, information I wanted to squeeze in,-and tried not to THINK about Bunch.

However, I have recovered to the point that I wrote DeWitt, asking him to try to find a date for that Gideon Bowles information--which he may not have--and asked if the Franklin Swope and Leland Frederick Bunch, who are cousins, had ever compared notes, which might help. (It would also help if he would divulge their addresses).

Then last night I thought about Zachariah Americanus who died in Cabell Co., W. Va., and I wrote to ask for his certificate--if they only know his mother's name that will be useless. But I have found that in filling out death certificates people always knew father's name, but NOBODY knows mother's name, and can only hope that holds true here, at least for the father. P.S. — I did write, last week, to Grainger Co. to ask for date Thos.' will was proved.

Found no later "George" deeds.

Appears that way ~~twice~~ 3 times in records of Pouncey's

it was on the 1810 Tax List, but I thought
they make a mistake. I quickly ran in to
look at James^4's will, last night, when I saw
the Waller the 2nd time, and it says WALLER,

I thought of asking for Zachariah M.'s marriage record, but that wouldn't prove anything, because we don't have anything to show who Zachariah M., s/o Mericanus F. married, and we know the other m. Martha Garland. Well, of course if there should be another Zacharias A. or M. marriage it would prove there were 2, but we will wait on that, until we hear from the death certif. We hope.

Item--I went over Samuel-m.-Marina's will with a finetooth comb--or to be exact, a strong light, and strong magnifying glass, neither of which I had at Louisa. He DOES spell the name Mer i canus, with a dotted "i"--the writing is faint, but perfectly clear with the strong light and glass.

I do know of cousins who have approx. the same name and birth dates, so it didn't occur to stupid me that one was a fairy tale. I can't tell, from Mr. R.H.'s record you sent me, exactly what the descendant sent him, and what he added. But I notice the man who wrote DeWitt says ~~Richard, father~~ of THEIR Z. A. d. ca 1848--and we know OUR M.F. had d. before 1851, when Sarah E. Bunch m. R. Mitchell; also, they give date of birth of Richard as ca 1823--and the Cen. for 1830 and 1840 showed M.F. was born 1821-25. So that does look a bit too much for happenstance. (Now if "Mericanus F. had been Mericanus R.? But no, their Richard even has initial B., like a real person!) So, I think you are right.

I sent for a Deed of Gift I had not copied, and it is from David to his son Samuel, dated before he wrote his will, giving ~~him~~ Saml the tract of land, 197½ acres, "where he now resides", naming neighbors to identify it. I quickly read over Samuel's will to see if anything about his land would identify him as David's son, but he doesn't mention any specific item---just gives "one equal fourth" of his estate--so useful! And SUPRA: he also was useful--gave evverything to his wife Clara, period. (Of course his & Clarissa's chn. inherited from David⁵). Anderson and Pouncey have papers which identify their children, but there is one item: listed with the other legatees (chn.) of Pouncey⁵ was WM. WALKER. Louisa Marriages: Oct 1813 Wm. Walker, Jr. m. Elizabeth Bunch "over 21, d/o James". Is there a connection? And just who would that James be? I can't find one who fits.

In his will David gave
Saml's children negroes.

Got to get outside for a little walk, an antidote for TOO MUCH BUNCH.

"Richard" — not on Cen. for Supra — true — But I've never seen a sign of Henrietta on Cen. And does it strike you as odd that Clarissa, not young m. (1811), had all those chn. in the 1820's??

Dear Geneva

This is really to say thank you for all the work you are doing and have done in the cause of BUNCH, and I should say thank you in every letter--please consider that that is done (silently) because there are so many little and big things to bring up. Particularly, all that typing on the list of things to use as Mr. R.H.'s book. Actually it floored me at the time, because I thought I CAN'T do that much more--but I know how much you did, to prepare the material, and we will see that all the Bunches know how indebted they are to you.

Mr. Brown said they did not sent him a record for Samuel Bunch's death, but I wrote for it, anyway, sending check for $1.00. Yesterday they returned it, but sent a blank for me to fill in, asking for a search($2.00), which I am sending in today.

Wish us luck! Alice

BUNCH FAMILY RECORD
81 NORTH MAIN STREET
PERRY, NEW YORK 14530

I made several attempts a few years back to correspond with a Franklin Swope Bunch of Florida we never could get together with our information however he did send me a chart that he had worked out for his ancestoral line and from the information he had and what he had missing It looks as though he never heard of R. H. Bunch of whose informatio is in question.

He lists his grandfather as Zacharias Americanus or as later spelled Zachariah Americus. [He is the Zachariah M grandson of Samuel & Marina.] However he lists Zachariahs fathers name as Richard b @ 1820 d @ 1848 and his mother as being Sarah McClain: Richards father was listed as being Samuel & Mother Marina. all he knew about Samuel's parents was that his mother was called Fanny. Something else this Chart shows that may be of interest to you is that Zacharia Americus married Martha Garland Walker. a daughter of Garland Walker and Henrietta (Bunch) Walker

Dear Geneva

Best health wishes, first.

Second--I never explained about the cost per page of $4.50. It is to do the typing on "masters sheets" which have the outlines you can type in, so it will be ready for offset. Lee was sure he could find someone who would do it for a lot less, but I believe has about resigned himself! The typist will have to adjust footnotes to suit the pages, which will be quite different from mine. (I have more on a page than they can get). And using "White-out" is a no-no-it makes a gray spot--so the typist has to be as good as you are. I notice you never have to erase, etc. In fact, YOU would be the ideal person to do this, as you are particular, and have a real interest. You don't have time on your hands??

My real reason for taking time from Jesse's grandchildren in Mo. is that I don't like to vary from Mr. R.H. unless you approve. Referring to the "Copy of diary of JESSE BUNCH sent me by Washington I. Bunch of Osceola, Mo. . . . " + you sent me — In r.h. corner it says: "Copy, page 2." It is a list of the entries as he read them in Jesse's notebook.

Mr. Bunch considered "Mary E." a dau. of Jesse--I disagree. Mary E. on Census was in the same order she is given in the notebook--the mistake was, that the year should have been read 1854, instead of 1824. On her gravestone, Betsy Bunch was "Elizabeth C., wife of J.D. Newell", not "Mary Eliz.", as the little girl was probably called. So I have given the date of 1854 to the child, and omitted mention of the date of Betsy's birth, except as the stone has it, (corrected by brother's date) — makes h birth yr - 1821 —

Dear, dear Geneva

We were so happyto hear from you yesterday--we have spoken about you often, and Lee had an era of saying, "Why don't you call her up?" Well, I did want to know about you, but I didn't think that was just the way. Now that you have written, you are going to be deluged.

If I had known you were trotting laundry to town, and hauling drinking water I would have been so disturbed I'm glad I didn't know until things are different. We don't mind carrying water at the Montana cabin, but that is different, because the tumbling stream is so close to the kitchen door, and it would lose Brownie points for any one who went up to the "spring" house without looking first to see if the two water pails need filling. (It is like a spring house, but the water comes into it from a hollowed log which diverts just enough water for the cemented area.)

No, we feel we have only good news here. Last fall, after Lee had had those two serious bouts and gone back to daily work, he was very low--we didn't know until January that one of the reasons for his feeling was that he had had a heart block. By the time the new doctor saw him in Jan he was improving, but I was pretty sure what he needed most was time clear away from the office. Last Nov. I (disagreeably) insisted he say when he could be away, and finally he said "in April".

The pub. co. had sent me a lovely present about Dec 1--the Zerox copies of the "paginated" typed pages ready for the camera, with the note that now I could do the Index. Nobody had ever told me about an Index! I had no idea what a horrible chore, boring and tiring, especially to a "deteriorating lower back" which doesn't like to stay in one position very long, it is. I spent 3 months on Park and about 1/3 of Bunch, then at the end of March I asked the company if the typist who had offered to do the whole Index would take it from there. This was a big mistake, as you will see eventually, because she didn't care for my plan, couldn't afford to have half hers and half mine, so she just changed mine, throwing out many of my 1,000 cards after she had lumped all references for one name on one card.

I was really sick when I went over to proof, and saw how she had sabotaged what was going to be a superior Index--I thought--and I spent some time being furious; but if I refused to take it, I would then have to spend 6 months re-doing it, and I wasn't sure our readers would be that glad to have the Index done over. So it will be coming out in November, and you will receive a copy, of course. I could send you just the Bunch manuscript, but you wouldn't have the Index, so you will just have to put up with the whole book.

It was nice I didn't know that the typist--whom I have never seen--had a big Mother Knows Best complex while I was away, because we had the most lovely 2½ weeks in Andalusia--the southern part of Spain we had long wanted to see. Every city south of Madrid was fragrant with orange blossoms, just delicious--and beautiful gardens in every place we went, full of blooms. Lots of history, too, and last, wonderful ruins, which Lee loves, near Valencia, where Hannibal, no less, laid seige for 8 months, on his way to put Rome in its place. Lee thinks they must have been starved out, because we saw 2 deep wells, and the fortifications were on the tops of the steepest and highest hills--the enemy would have been exhausted before he ever reached the walls themselves. And from up there, the rows of orange trees arounc Valencia stretched away as far as we could see. They say there are 14,000,000 orange trees in the area (all irrigated, for the last 1,000 years).

Phoenician foundation

Lee, after the 1st 3 days, when I felt a little worried because I wasn't sure I was doing what was good for him, began to bloom--went back to a long time ago, when he laughed and joked and enjoyed everything. I have to watch him all the time, to be sure he isn't getting too tired, and I go down to pick him up at the office almost every evening. Then he goes to bed for a nap, and I don't have to remind him--he knows he needs it. We are in bed shortly after 10, and we don't go out in the evening, so we aren't exactly back in a normal pattern, but he is gradually getting stronger, so I am happy about things. And I got a rest while away, too, so that all the little chores of finishing the book haven't seemed like just too much.

Actually, if I had known all that lay before me, to get a book between covers, I would have run for my life, in the opposite direction! I had to get my mailing list in proper order, a job on its own--632 names. And about 80 announcement cards have come back for "not forwardable" reasons--I suspect the Postal Service of not caring much about that. Some, I can write other people to ask about, but of course some are just going to be lost--like your Vira Steers, and Sibyl Bunch Taylor. Unless, that is, they write to you again, sometime.

I wanted the announcement of the Nov. date to go out before we leave for the Mo. Reunion tomorrow (Sunday is the Big Day), as I thought I couldn't stand once more to have all those questions, Is the book finished? When is the book going to be finished?? coming at me. I really had hoped to have it ready so that we could take the copies out with us, but there were 3 months last year when Lee's care kept me from doing any work on the book, and then, as I said, I had no idea that the Index would really take several months to do. So Nov. it is, unless they fail me at the Pub. Co.--and part of the delay is due to them--they have never been as anxious as we were to move right along.

Lee has made me open a special account for the book, at the bank. I can see it is a good idea, but it was just another little chore. However, I am endorsing their checks to be deposited in the "PARK/E/S AND BUNCH" account, so their canceled checks will be a receipt, and that is a good thing. Lee also brought home the things they use at the office to file letters, and has started me by filing the letters, with envelopes, that have come with orders for the book. Now if we can just get things put away in this so-called study that is really a parking place for papers, records, files, maps etc, so that we will have the room for its intended use for both of us, not just me--also a bedroom(for one guest)on a daybed. (Daybed now acts as a long table for piles of papers)

One good thing about last year, I lost 10 pounds I didn't need, but didn't know I was losing until they were gone, and I haven't gained them back. Actually, I haven't weighed 108 pounds since I can remember--I'm afraid I was always the hungry type. I haven't had the time to do the cooking for Lee I used to do, and look forward to seeing if I have lost the knack for rolls, etc. I do like to cook. And I will be able to take the daily walk, long gone by the board, that the doctor ordered when my ankles started to swell. In case I have not made it clear, I will be GLAD when the book is in the hands of the readers! Some time before Christmas.

I hope you are not sorry by now that you wrote the card, but I had to tell you about the last year, and what is going on--I promise no more long letters, just short ones. (My postcards are gone, and I haven't seen more to get. They were very useful.) We send our affectionate best wishes to you both, for an improved future.

With love

Alice

has not improved.

Dear Geneva

I was so glad to hear from and about you, though I'm sorry about the radical operation. I had that in 1955 (when I was 54) and unless you are a lot younger than that, I don't believe you could be entirely over it, so soon. So maybe you will catch up with Garland, after all.

The pacemaker didn't get rid of the fluid in Lee's lungs, even though he was on that (horrendous) low-sodium diet for 5 weeks, so the Dr. changed the diuretic. He now gets Lasix (Lazix ?); 2 one day, one the next day,-plus potassium; and though the Dr. told him not get ham or corned beef sandwiches for lunch, etc., he told me that I didn't have to keep on with the low-sodium diet in the kitchen. What a good man! I use much less salt than I used to, and I am using less frozen vegetables, but at least we can have the variety of foods that that diet forbade.

I made copies of your BUNCH sheets, and sent them to Mrs. Cartier yesterday. Did I give you her address? 216 S. 4th, Sandpoint, Idaho 83864. (Married to descendant of Stokeley's son William.) Miss Perkins (from Henry^6) I know will be delighted to know about James^7, because she has obviously done a lot of work on the family. Someone else, by-the-way, wrote me some time ago that Joseph Bunch's will--Hardin Co., Ky. Will Book C, 262--names not only his dau. Matilda Gray and son-in-law Johnathon Gray, and son Zachariah, but also DAU. LAVINIA BROWN--on p. 212 of the ([illegible]) book. (your book) She says will was proved 1 May 1819. She is Cecile Flynn, p. 431, Corrections, (p. 218), descended from either Sally or Priscilla, can't think which--they married Scott brothers. I got in touch with her and also M. Perkins by answering ads in the Genealogical Helper.

(over)

I must be getting "wordy"--thought I wouldn't need so much paper. (Using up old paper of Lee's.)

Before I get to the Archives again--I'm just about to finish the BENTONS of Madison and Estill Counties, Ky., a supplement--I would like to know if you have the 1840 Census of Clark Co., Ky.--to look for "Whit" Bunch. He and James would have been born ca 1811-16. M. Perkins only found the James B. marriage,-but if you have already looked for BUNCH on 1840 I will start with 1850, Clark Co. None of Elijah's children would have been old enough to complicate things by then.

Too bad about the flu, too, one thing you really did not need. It seems to me I remember that you had it badly once before--do you take the vaccine? But actually this is not flu season, so you really are out of line. I hope you are having warm MAY weather, or rather June by now--we have not had any warm weather, and still too cold for friends to plant tomatoes.

Our very best wishes for you both. A snapshot some time??

Dear Geneva

I got back the copy of Henry's chn. which I had sent Miss Perkins, and she also sent, neatly typed, the Marriage Records of Clark Co., Ky., burials in the Bunch Graveyard in Clark Co., Steele Cem. in Macon Co. and quotes from another history of Macon Co., Mo. Am I glad I sent her a postcard, telling her to look in the library of the Mo. Historical Soc'ty!

You have copied so many Census records that I am not going to be surprised if you turn up both James and "Whit"--Whittington? (The reason she looked in Linn Co. for James is that several of the Macon Co. people moved on to Linn.) She also sent a family sheet for Lucinda and David Steele--if you want a copy, speak up.

It is time for me to start downtown to pick up Lee. I do wish he weren't so determined to WORK--but I have given up trying to change his mind. Yours - Alice

Dear Geneva

Last week we hauled in the first real contribution to one of our incomplete Bunch families: the children of Henry^6 (Zachariah^5, Henry^4, John^3) and his wife Sally ?. I enclose a corrected list of their children, according to the information of Mrs. M. A. Perkins, Columbia, Mo. I sent her the same list this morning, just to be sure that it is correct according to what she knows, and to ask if she knows anything more about James^7 and Whit^7. I am just guessing which one was older, of course, but she knows Lucinda's birth was 1820, and we had Joseph's 1817/8, so I thought James and Whit had to be approx. 1811/2 and 1813-15.

I also send copy of the copy she sent me of the report of the 1924 reunion, and you will note that one says the brothers and sister in Macon Co. had father JOHN--I am sure that the family records kept "since 1892" were their deaths and marriages, not the names of the ancestors, and besides the oldest of those brothers was John, so they probably assumed his father's name was John.

Mrs. Perkins had a long ad in the last Gen. Helper from Salt Lake, listing a lot of families, including BUNCH, but she did add "Va., Ky., Mo.", so I sent her a postcard, telling her that a copy of our book was in the Historical Society's library there in Columbia, and I received this letter in answer--thanking "so much for the information on the Bunches."

I also have heard from Mrs. H. R. Cartier, 216 S. 4th St. Sandpoint, Idaho, zip 83864. She is descended from #92a William^7 Bunch b. Ky. ca 1819, m. Chariton Co., Mo. Nancy Clark (p.239 of book). She did not know for sure that Stokeley Bunch was his father, and was very happy to hear that the above-named were in the book. She says Nancy Clark was d/o Randolph Clark b. S.C., and ?? Nancy was b. 28 Feb 1824, d. 1918, bur. Palouse, Whitman Co., Wash. (She had married again after Wm.'s death.) Nancy and William^7 had: Randolph^8 and Christina^8 Bunch. (She gives 1837 as date of William's marriage to Nancy Clark--we have it 1842.) Randolph^8 b. 14 Aug 1847, d. 25 Nov 1915; m. Emily E. Sanders, d. 1890 (aged 45); issue: John Wm.^{9} Bunch 1869-1947. He had 10 chn., and she sent several pages of John Wm.'s descendants.

Dear Geneva,

I felt guilty enough writing you and even mentioning the word BUNCH, but to cause you all that trouble, when you are sick, and it is hot--I do feel like a worm.

Of course, as you say, I DO have that letter, but actually, I don't know if I ever read it before,and registered about Poco--I was looking for dates and people, and I just brushed over her little "memories". (Besides, I'm so skeptical.) But it could be true, only not through "John^{6}Randolph of Roanoke", for whom the book on P. shows no descendants--in fact "his Bride" just before their marriage, "fled from his embrace" and he never saw her again. And it mentions no marriage later on. In the 4th generation down from P., there were 5 chn., and one, Jane Bolling, b. 1703, m. Col. Richard Randolph and had 9 chn., of whom 6 are carried on. But Hannah Cruze was b. ca 1745, and Richard Randolph's chn.,(where dates are given) were b. 1732, 1727, 1752,- and tells who—they married anyway no chance for any of them to have been a parent of Hannah. (Before the 4th generation there had been each time a single child of a marriage) But anyway, I am putting in the quotation, and let someone else work over that. I am interested to see that (over the Randolphs and the Bollings did just what the Bunches did--married cousins!

John^{4}Bolling, the oldest of that generation, it says had 19 children--only a comparative few carried on, so maybe Hannah's mother is hidden in there, somewhere.

Lee is in Oklahoma City, working on a case which has kept him working all this time, just as if he had not had, as the doctor told him, "TWO BIG THINGS since Jan. 1". This conference had been set before he had the operation, and when we all tried to keep him from daily office he just said that he had people depending on him, and he had to get the work done. Now, perhaps he will not feel so pushed.

I haven't forgotten about your copy of BUNCH. I have sent them the 1st chapter, and am going over (Baltimore) this week, to take over the rest. Lee has made Xerox copies of each chapter, so I have a good copy on hand, unless we can get a better one.

I am really going round in circles, trying to finish the Fosters and Jones, get little ends tied up (like Poc.), and have just finished proofing the last of the Parke/Park. Hated every last one of them by the time I finished, too.

Our love to you both, and Thank God for air-conditioning, the great accomplishment of the 20th cnetury, is what I say--no matter about the men on the moon.

Dear Mrs. Park,

Enclosing a copy of the form letter which I have done to send to those researching the name Bunch. Geneva had several letters that Doc was sure she had not answered. He had called me to tell me (WONDERFUL) that he and Helen had found the Nathaniel Bunch/Sarah Wade Ray material. Geneva had broken down much of the large books to make separate notebooks. The Nathaniel book is in small segments - a chore to revamp for me, but since it is my husband's line, a bit easier. Some of the other lines will be harder. Anyhow, he had several letters which he was sure had not been answered. I brought those home and will sent the form letter. Doc said that Geneva had not done anything concerning the genealogy for over two months. She just was not feeling good, we all now know.

She kept little correspondence, but yours and several letters from a David Bunch (mostly 1981) in Statesville, NC. I found a Christmas card from you to her (no date) in which you think David is the one to carry the "torch". I will send him one of the form letters and ask him to please, please help me.

I've nothing on the Lively Bunch of Florida that you inquired about, but found one letter, apparently unanswered, who wanted information about a John and John James Bunch who lived in Florida. Sent a form letter and asked her to send group sheets or anything she has that might help me search Geneva's records. Wish I had your book - please send it as soon as possible. I am sure it would help me answer some of these people. (My cousin in WA is very excited about my ordering her a copy, too).

Best wishes - Mary

THE THIN GRAY LINE GROWS WEAKER BY ONE.

Editor American-Press: On Thursday morning, October 4, 1923, one more gallant Confederate Veteran was called across the Great Divide. John J. Bunch passed quietly and peacefully away.

After a two weeks illness during which time all was done that loving hands could do, or that medical skill could suggest, the patient sufferer entered the last deep sleep.

Friday morning, the 5th, at 10 o'clock a. m. the funeral was conducted under the auspices of Calcasieu Camp, C. V. Burial services were conducted by Commander Sam Mallet, of Lake Charles, assisted by Rev. C. W. Jones, pastor of the Westlake Baptist church, of which deceased had been a member for many years.

Interment was in Bagdad cemetery. The coffin was draped in a Confederate flag, used during the war.

The floral offerings were a beautiful tribute among which was a beautiful wreath sent by R. E. Lee Chapter, U. D. C., Lake Charles.

The subject of this sketch was born on a farm in the state of Florida, April 19th, 1841, grew to young manhood as a farmer, migrated with his parents to Louisiana settling in Rapides parish before the Civil war and followed farming until Louisiana called for volunteers at which time he loosed his horse from the plow and hurried to the front.

When the dove of peace appeared and reason resumed her sway, he hurried back to his plow and took up farming where he had left it.

He came to Calcasieu soon after the Civil war and engaged in farming and was a pioneer in the logging industry. For the last few years he has been a gardener and grandpa Bunch's garden was the talk of the community.

Deceased married Martha Royer, who survives him, fifty-two years ago. He joined the Baptist church over forty years ago and has been in constant fellowship.

He is survived by his wife, Mrs. Martha Bunch, and four sons and two daughters, as follows: James A. Bunch, Sulphur, La., Jacob L. Bunch, Orange, Texas, John J. Bunch, Westlake, Kinney R. Bunch, Lake Charles, Mrs. Edw. Gray, St. Louis, Mrs. J. A. Mims, Westlake. Also one brother and sister in California, brotther in Kansas, one in Montana, and a sister in Nebraska.

Dear Mrs. King,

I understand that you have lots of information on the Bunch's. I have been told by family members that my husbands Great Grandfather Bunch was born in South Carolina and then later lived in Tallahassee, Fla. where his son John James Bunch was born 19 April 1841. John James Bunch's father was John also, we don't know his 1st wife's name, who was the mother of John James. I am sending you a copy of the write up in the paper at the time of John James Bunch's death. According to the write up. he had three brothers and two sisters, but no names. I would like to find out more about this family. would mostly like to know the parents of Great Grandfather John Bunch. Can you help me?

Sincerely

Mrs. Merle M. Bunch

Dear Geneva

Well, thank goodness! My next step was going to be writing the postmaster there, and ask him if you were still around!

Doris hasn't answered my last letter, which I wrote her when I was stopped cold, in putting that Scott Co., Ill. genealogy together, by finding his will only named 4 children, when it certainly appeared there were 5. So I am trying (now) to get pages together, for a reprint of Park/e/s and Bunch, with corrections and additions. The film used for the book has disappeared, so they will have to use the typed sheets they used to photograph--remember they cost me $4.50 a page? Well, time has passed, and it is now $7.50--but that has an advantage, even if does cost more--additions can be made, in many cases, by changing those typed sheets, instead of adding extra pages at the end.

In the book, pages 37-47 I spent in convincing (I hope) the reader that James Parke was s/o Charles Parke Jr. (Lee called it once, "your brief"--like his law briefs--flattered me to death) I now have copy of an old letter written 1839 which PROVES James was Charles Jr.'s son. Of course I wouldn't have it if the book hadn't been published, so no use moaning that I didn't have it before.

I had a card from David Bunch today, saying he found in the Amer. Compendium of Genealogy one William Boone Douglas, who was working on a Bunch history, and his address was Washington, D.C. Of course that Compendium was published years ago, long before I was married, or heard of the name Bunch. I sent him the info. you gave me on Simeon Bunch who married Celia Boone, and gave him the two addresses you had, for descendants. He is young and persistent, and I believe will get somewhere.

As for Keller, whose first name is NOT ALICE,--that is my name. She is Irene. Do you remember how she almost went on her knees to beg for a copy of our book? Well, when I got around to where I could sit down and immerse myself in her letters and yours, and Joseph, in the book, I took pity on her, and sent her a copy. Would you believe she has never mentioned my sending it? The only way I do know, is that she sent me a check. Not one peep from her about getting it, and I had written a pleasant (I thought) line in the front for her, too. So don't upset yourself for her! She rambles so, half the time I can't be sure who she is referring to, in her sentences.

But in studying over Joseph's children, I realized that I had not given (in the book) the 1800 Census for Joseph in S.C.--Edgefield Dist., I believe. I looked several times for the copy of that Census that you sent me, but can't find it, and would like to check just what was the make-up of Joseph's family in that Census. If you can lay your hands on it in five minutes, I would love to have it again, as I would like to correct it, if it is not right, in the book (reprint).

No, I don't want to know about those odd Bunches, I think David Bunch had asked about them. And PLEASE don't send me the Keller letters. Another young and serious Bunch has shown up here--He is Dennis W. Casper, descended from Charles Bunch who m. Catherine Carlock, and when I told him the name BUNCH was Scottish (?) he said he understood that Scottish records are meticulously kept, including emigrants. I'm sure some day he is going to find out where and when John Bunch left Grt. Britain. He couldn't believe it, when he looked at the book at DAR Library, and there was his family. Thanks to you, of course. He took my one & only book, but says he also wants the reprint.

Getting that reprint published is going to be my summer vacation & probably next winter's clothes — but I do have, now, Henry B. Bunch's chn. — the Parke additional, and two pages of Foster, as well as small changes. Love to you & DS.

Dear Geneva

I had a lot of chores to do, as Executrix of Lee's estate (almost settled, now), and then I got sick, and wasted a lot of time doing nothing. I am feeling well again, but being very careful I don't push myself too far at one time.

First, copying the BUNCH part of the book for the woman in Nebraska. I have a copy of the book, unbound, which is called by some special name now forgotten, and it is easier to Xerox from that than from a bound book--also, does not hurt the bound book. I went up to the place where I make copies yesterday, to start copying for her, but it was out of order. However, I will get it done,- and I am going to be so bold as to tell her it costs me 10¢ a page.

I have just answered Doris Sleeth's April letter (terrible!) in which I set forth my ideas about Davis'daughter/s, and asked her if she was quoting from a marriage record, when she wrote "Henry Beal married Susan Bunch". Mary Ann was b. ca 1815 (1830 Cen., but not named on 1820 Cen.--so one or the other was a mistake.) OR Mary Ann was b. 1821-25(1840 Cen.). James was b. 1821, so Mary Ann was possibly b. 1823. If she was b. 1815 (and her parents were married Nov 1814) then she would have been 25 in 1840, and no doubt married and gone. Doris says Mary Ann Bunch married George Walker--a researcher sent her this marriage, without a date. However, she has a record of Capt. Holloway and a group of his men returning from the war stopping in Henry Co., Mo. to be entertained by "George Walker". She says this was about 1847. If Mary Ann was b. ca 1823 she could easily have been married and in Mo. by 1847.

I enclose a letter received this month from David A. Bunch, who says his earliest record is for Solomon Bunch (1785-1864), but gives no place for Solomon. In reading a book by Wm. C. Kozee, PIONEER FAMILIES OF EASTERN AND SOUTHEASTERN KENTUCKY, I found a list of Pioneer Families from "original tax lists and other public records" 1810, Knox Co. Your James and George Bunch are there, but also there is a Solomon. I know you had records for James and George in Knox Co., and wonder if you also took down the information on Solomon. (This list gives names and nothing more.) I have written Mr. Bunch, telling him that this Solomon is in Knox Co., Ky. at the time his Solomon would have been about 25, and told him as well that you might have more information on this Solomon. (I hope!) I sent him Xerox copies of the first 10 pages of BUNCH, since he seems to be especially interested in the earliest records.

I will send you in a few days the ancestor pages of a Mr. Warren R. G-rant, who had John L. BUNCH b. in Georgia, 1818,- all his chn. b. Alabama. I do not see any people in our book that are the same as his, but I know you have the world's biggest collection of BUNCH records, so I am sending it on to you. I wish I could see your system, that you can find what you want out of a vast number of Bunches.

I will be writing you again, soon, answering two of your letters. (I am so sorry.)

Wash., D.C. 20016

Dear Geneva

My dear Lee died suddenly (+ without any pain, or anticipation of any immediate trouble) while we were at our Cabin in the Montana Rockies last August. He had been trout fishing with our son—

I wrote over 150 letters in answer to the many messages I received about him, but after Christmas I seemed to have lost my "steam", and so am just getting around to the folder of Christmas cards from people who didn't know about Lee. I've also been corresponding on genealogy — some on families in the book, some on my own families — besides for the first time having to do quite a few things I'd never done, + had to learn how to do — like income tax returns! (All I knew about that, was "Sign here", from Lee.) I am Executrix of his estate, which means a lot of book-keeping — not my forte.

Lee's health had not been good since the aorta operation five years ago, + after the congestive heart failure he grew steadily weaker, but that didn't keep him from working 8 hours a day, 5 days a week (He did let me go down to get him every evening, but took the bus in, in the mornings, + walked 4 blocks.)

I thought he had seemed stronger in the late Spring — + he was very happy he could go to the Cabin with our son + his family — (+ me of course).

He dearly loved Montana, also trout-fishing, so he was in his favorite spot — and I'm so glad he didn't have to lie in bed, waiting to die —

I was delighted to get your note, and to hear that all those Terrible troubles are behind you. Please don't have any more.

I have made copies (enclosed) of people's Bunch info - it may none of it be news to you. The Ogan girl (woman?) telephoned me (recently) from Kansas - she had visited Hugh Bunch in Ark + had seen the book, for the first time - I'm sure you had all she gives on Nathaniel, but perhaps not her "Bradley" -

If it is too soon to bring up genealogy, just chuck it! (Did you mean you like watermelon, and you don't like genealogy?)

I wonder, now + then, if I'm ever going to be done. Lee told me I had too many irons in the fire, + I'm afraid that's true.

We've had a chilly, rainy May + June so far. We had bought our apartment a year ago, when the building went Condominium, + we had to buy or move - We didn't know where to move - + we do like the apartment we've been in since Mar 1961 - so we bought - really very fortunate for me, I think.

So glad you + Garland are blooming.

With love - Alice

Dear Geneva

The first thing I have to say, is that I don't want you to do THAT MUCH WORK at one time, again. I know about going "through it all from the beginning". I believe I would like the Census first, but not too much, and not when you don't feel up to it. Thank you for the enormous job you did--I know the gal in Columbia, Mo. was pleased.

I have been somewhat confused, which is why I haven't written before--well, that, and Lee's having some trouble. He is in the hospital, now, where they are trying to avoid surgery, (age and heart) but he had an intestinal block, and has some fever with higher than normal white count, so there is infection somewhere. He had 2 tubes down his nose, to get rid of gas (one) and the other to get rid of solids--that one is now gone. They started him on clear liquids last night, but are keeping the tube in,that has a weight on it, until they are sure he can take the liquids--in other words, until they are sure the obstruction is gone. For a man who never had colds nor flu, who never was sick enough to go to bed (he said!) except the few times he was really "stricken", he has really had a series of things this year.

My confusion: you know these were never Bunches that I knew well--they were thrust upon me by you-know-who. So I have had to make a chart of Zachariah's children, and then one of Henry's chn., just to try to find who is where.

On page 226 of the book--Clark^6 m. Ann Davis, and she was a"widow, listed 1820 Cen.. Montgomery Co., Ky." You sent the 1820 Cen. Montgomery Co., Ky., and the"Nancy Bunch" on p. 289 must be Ann(Davis)Bunch? But her family as given there doesn't agree with the paragraph on Clark and his wife, p. 226: "He had one known son, possibly 2 others". This Census record shows her with the following males:

1 m b. 1795-1804 (This was not Davis, who married 1814, tho' this was his age-group.)
1 m b. 1805-1810--either of these could be Lorenzo Dow, b. ca 1804.
2 m b. 1811-20.

(You do know who Lorenzo Dow was? ABaptist preacher, hell-fire variety.)

Since Davis was born 1795, the male 1795-1804 was probably born toward the 1804 side, and could be Lorenzo D.--but you say in your letter that L.D., "born about 1804 in Kentucky . . . probably the youngest son of Clark Bunch and Ann Davis." So I am LOST. If that Nancy Bunch is Clark's widow, they had 2 more sons, b. 1811-20, younger than the 1804 male.

My second confusion is with Benjamin Whittington, on 1810 Clark Co, Ky. Cen. His wife is 26 but under 45, so born 1766-84--this is the group Anna^6, sister of Henry^6 would fall in--the book says p. 226, "b. ca 1780". But your note on the Census record says, "Maybe Henry's wife Sally was dau. of Benj. Whittington". "Sally" was probably born ca 1780, not later than 1785, as son John^{7}was b. 1800. The only way I see that Sally could have been Benj.'s son was that he had a 1st wife--he is older than Anna--but they have, 1810, only young children consistent with the date of their marriage. (And that reminds me, is the"12 Dec 1795" date in the book for Anna's marriage right? Or should it have been 1796?)

You see, I do need you! Especially when I noticed there was the Nancy Bunch on the 1810 Cen., Montgomery Co., Ky. She can't be Clark's widow, because he was in the War of 1812, but do we know who she is? She could be the same person as the one on 1820, except for the 2 youngest boys, born since the 1810 Cen., but they could have been someone else's children. So you see!

It is nice to see things click into place, like James in Macon Co. The only sad thing is to lose that perfectly good marriage record in Clark Co., Ky. of James Bunch to Sarah Bartlett, 1839.

It is late, and I have some chores to do. Lee phoned to say that they had taken his temperature twice, since I came home, and it has gone down somewhat. We don't want a low, lingering fever, do we, especially as they think the obstruction site must be where the trouble is. You would never know it to see Lee, or watch how he moves around (far better than I do), but he was 80 in April, and I want him to stick around. He stands very straight, has broad shoulders, a slim figure, just isn't cast for a hospital bed. He plans to go to Montana to the Cabin, with Barbara and Crandall--plans for me to go, too--but this last bit has made me wonder about going to an isolated spot. He got a really bad pain in his abdomen, and tho' Crandall is a doctor, he needed things done that call for a hospital. Well--love to you both

Dear Geneva

We can't really believe it, but the company is going to publish 100 more of the books. We finally agreed that because we had had 43 requests for books that we couldn't fill they would publish (reprint) 100 copies; all money is to go to them; (we offerred this--we are only interested in getting books available); the first 50 copies will be $16.00--no more. The other 50 copies are to be theirs, and they can set their own price.

They are being printed now, and have to be bound, so will not be ready until about Oct 1, but it would not be wise to wait until then to order. They will hold checks or money orders, until they send books, but the idea of not charging more than $16. for the 1st 50 was to take care of requests to us they also have mailing lists of their own (they sold 25, the "overrun" the contract said they could have).

I don't have the addresses of your cousins who asked for books, so if you are not well enough--and I do hope you are standing the hot summer--please let me have the names and addresses, and I will write to them directly.

Love Alice

Dear

We are very pleased to let you know that 100 more copies of PARK/E/S AND BUNCH ON THE TRAIL WEST are being printed now, for delivery about Oct first. The publishing company is doing this on the basis of our telling them that we had received over forty requests for books after all were gone, and that we ourselves would like fifteen copies. The company also has had requests they could not take care of from the first printing.

The price on the first 55 copies will be $16.00, all money to go to the Book Company--this was our offer to them, as we are only interested in getting books available for those who want them. This is $2.50 more than the originals were, but those we sold below cost. The new printing will include two printed pages of corrections and additions.

The remaining forty-five copies are to be the property of the Book Co., for which they can set their own price. For this reason, it would be wise to order now-they will hold checks or money orders until they send the books. Be sure your name, address and Zip are plainly written; make check or money order to:

Genealogical Book Co.
521 St. Paul Place
Baltimore, Md. 21202.

This notice is going only to the people who sent checks or indicated they wanted the book, and I have sent a list of those names to the Book Co., so they will be expecting to hear from you. We hope you are as glad as we are, that more copies are on the way.

Sincerely

Dear Mary

Thank you for those records, which I'm sending on to a searching "Bunch".

I think she's going to be disappointed at the number of children's names "not available at this time" — but anyway she is descended from Martin's daughter Jane m. ? Hopson.

Thanks again. And love —

Alice

Mrs. Rosemary Moore
2715 20th Street
Great Bend KS 67530

Dear Rosemary,

Finally getting the Greives material in the mail to you. As you can see, I need many dates and marriages, especially on your Roth family.

I am enclosing an envelope and postage for you to return the sheets to me when you have made the corrections. After I get them from you, I will type new sheets and make copies for your records.

Visited our daughter and family in Hutchinson in October and planned to call you and try to get to Great Bend. Thought it would be easier to share the information in person, but just did not have time to make the trip there. I was taking care of our grandbabes for a couple of days. They are six(Ben) and eight(Sarah). They had me busy from morn to night!.

Will be anxious to hear from you. Wish we had more information about the Theno family. Do you know anyone who might have such information?

Hope to hear soon,

Sincerely,

Mary Metzinger Nunneley

Dear Verna,
I am sending you this letter and was to tell you that Michael Reck of Riverside, OH told me I should contact you to see if maybe you could help with the HOPKINS ROSE. Michael & I have been e-mailing back & forth for awhile now & he has send me all of the family data that he has on the Charles Rose & Rebecca Mulliner families that he has. But as he said he never got any proofs of some of info. as all he got was mainly from Barbara Black who had the proofs he thought. I only knew Barbara Black briefly since she did a lot of typing for the Darke Co.Gen.Society at Greenville,OH. And I spent a lot of time back there at Garst Museum talking with Toni Seiler, Director of Garst Museum until she died last year. I did research for Toni Seiler for her grandaughter to join our Fort GreeneVille DAR Chapter. Upon checking files on Rose there at the Garst Museum a month or two again I saw where Toni S. had papers there where her grandau. would have gone back to the Ezekiel ROse & Birt line. Her & I never discussed the Rose line as at that time they didn't know that Charles Rose had any Rev.War service. Only wished I would have known it sooner.

As the Chapter Registrar of my OH DAR Chapter I do a lot of researh for helping prospective members as I type the application papers also. Have a lady now that descends back from Charles Rose to Hopkins Rose & Susannah Connor. Then to John Wesley Rose & 1st wife, Rhoda Coats to dau.Lucinda Rose md. John Coppock Gilbert; John Wesley Gilbert & Ida Oettinger to John Elam Gilbert & Inez Myers & lady is daughter,Carolyn Jane Gilbert md. Kenneth Harshbarger.

This isn't a very well put together letter but I wanted to write you concerning this Hopkins Rose today and I'm leaving early in the morning for Cleveland for my Ohio DAR State mtg. for 4 days.

I had called Christine Rose in San Jose, CA to see if she had any info. on Hopkins Rose that would prove that he had the son, John W. Rose. She did have the War 1812 record that she copied at National Archives, DC that told Hopkins Rose was in War 1812 & where he md. Susannah Connor & when he died 1823. So she did mail me that copy of his papers which really were when Susannah applied for a pension that was denied. I had tried to get the War record at Darke Co.OH & Fort Wayne,IN & then at Ohio Hist.Society,Columbus,OH. They told me it was at DC, so that is why I called Mrs. Rose in CA. She didn't send any other papers nor any note in letter. But I had sent her many of the family data that Michael Reck had sent me.

Rose

Do you have anything that would help to prove that John W. Rose was s/o Hopkins & Susannah (Connor) Rose. ???
WE have a copy of the 2nd md. of Susannah Rose to Adam Harness & Carolyn Harshbarger has been down to Fayette Co.OH twice now looking for something. Not sure if they checked the land records or whether they lived there long enough to have any land? But they did find some other common pleas records where Adam Harness had been in trouble many times.
Adam & Susannah both buried at Shook Cem.Darke Co.OH (have copies from Cem. book on them. Also for John W.Rose & Rhoda that are bur. at same Cem. But John W. Rose died in 1851 & I did ck. his Estate at Darke Co. but not much in it that would be of any help there. They haven't checked at Greene Co.OH where John Rose's 2nd wife, Rebecca died in 1874 but doubt there would be anything there abt. John Rose's father,Hopkins or what else to look for?

I have noted that on some of the papers that it had that Charles Rose's wife, Rebecca Mulliner died in 1847 Fayette Co.PA Do you have any info concerning her when she died & was it PA or Fayette Co.OH. I did find a Hopkins Rose listed on the 1820 Mason Co.VA/WV census & wondered if was this one. The children seem to match dates and an older female listed I think it was, could have been Rebecca (the mother?)
Since when she died in 1847 and her son, Hopkins Rose had died in 1823 his heirs should be named in among her Estate. Not at Monongalia Co.VA or none listed on film I checked.
Can you help or have anything that might prove that Hopkins Rose had a son, John Rose.?
If I have any copies later that you might want, I will be glad to send you. And I will pay for any copies that might help with this Hopkins Rose family for lady to get her papers sent in for DAR.

Must go for now & hope to hear from you soon.

Sincerely, Glenda Thompson

Subject: Re: pictures of John Mitchem and Family

Elizabeth/Eliza/Lyda Mae Dodd is his mother, she married a man named Roberts sometime between her divorce with Jasper Ball (btw 1910 and 1920, as Jasper claims to be a widow in the 1920 census) and 1930 when I find Eliza again living with her daughter (Sarah Ball Kersten) under the name Mae Roberts, widowed.

I have not yet found a marriage record, although I suspect it will have been issued in Missouri. She is reported to have died in 12 Jan 1964 in Kansas City, MO - but I haven't found evidence of that yet either - but I am still looking.

James Riley Mellor is Fred D Mellor's father (and Fannie of course) - I did find a marriage record for Eliza and James Riley Mellor, and had suspected him even before I found it. The Bible record just confirmed to me that Fred also knew who his father was, and I had doubts about that. Most likely the 'family lore' that James faked his own death, came from Eliza and/or Fred. I'm not sure he faked his death, but he did not return for his family after he made the Cherokee Land Run, choosing instead to marry another woman and start another family.

I have some more pictures, one of Fred Mellor (known affectionately as "poppy"), and one of Raymond Lee Jacksons family, including Dorthea. I've attached them for you. I also attached a photo of Lewis Clark Dodd, Fred Mellor's grandfather (Eliza's father who raised Fred and Fannie) - I may have already sent this.

The Bible record drives me nuts..........Will write more later, but question the father James Riley Mellor and think Eliza Mae Roberts, the mother was Eliza/Lydia Mae Dodd. Have not figured out the Roberts name. Suppose her death certificate might add more.

Mary -

Can you take a close up photo with a digital camera, of the pictures of John and Lula, and of John Mitchem Children? These may photograph better than they scan.

Thanks!

Mercer Research Reminder: Please note that alleged parentages for Edward Mercer (17xx-1763) involving Gideon Mercer, John Mercer, Mary Harper, etc., are all based on fabricated family trees used to scam Mercer families in the late 19th and early 20th century. It is "parentage" that is not supported by any reliable evidence and should not be cited since such action merely perpetuates fake genealogical links that future researchers unfamiliar with the Mercer fortune scams may inadvertently continue to cite.

Good Morning,
Thank you for posting your information to my GEDCOM at Rootsweb World Connect.
I was thrilled to finally hear from a Mosier researcher and have corrected my file which will be included in my next online update.
Perhaps you can help me with my Mosier research.

I would like to know if William Joseph Mosier, b. 1869-1873, probably Mason County, Illinois is a son of Thomas B. Mosier. If you can please help, I would appreciate it.

Thank you again.
Warm Regards,
Lois Branch

APPLICATION FOR REIMBURSEMENT

Certificate No. 787899

Mary A. Paul
Deceased Pensioner.

Mrs Melissa Welch
Claimant.

OFFICE
31
1930

NOTICE

The only sum available for payment of a claim presented on this blank is the pension unpaid at the date of the pensioner's death.

The Act March 2, 1895 (28 Stat. L., 964), provides—

That from and after the twenty-eighth day of September, eighteen hundred and ninety-two, the accrued pension to the date of the death of any pensioner, or of any person entitled to a pension having an application therefor pending, and whether a certificate therefor shall issue prior or subsequent to the death of such person, shall, in the case of a person pensioned, or applying for pension, on account of his disabilities or service, be paid, first, to his widow; second, if there is no widow, to his child or children under the age of sixteen years at his death; third, in a case of a widow, to her minor children under the age of sixteen years at her death. Such accrued pension shall not be considered a part of the assets of the estate of such deceased person nor be liable for the payment of the debts of said estate in any case whatsoever, but shall inure to the sole and exclusive benefit of the widow or children. And if no widow or child survive such pensioner, and in the case of his last surviving child who was such minor at his death, and in case of a dependent mother, father, sister, or brother, no payment whatsoever of their accrued pension shall be made or allowed except so much as may be necessary to reimburse the person who bore the expense of their last sickness and burial, if they did not leave sufficient assets to meet such expense.

The Act March 3, 1905 (33 Stat. L., 1169), provides—

* * * and no part of any accrued pension shall hereafter be used to reimburse any State, county, or municipal corporation for expenses incurred by such State, county, or municipal corporation under State law for expenses of the last sickness or burial of a deceased pensioner.

INSTRUCTIONS

1. Accrued pension is not a part of the assets of the estate of a deceased pensioner, nor liable for the payment of the debts of such pensioner.
2. Accrued pension is not payable as reimbursement in the case of a person pensioned on account of service if a widow or minor child under sixteen years of age survive.
3. Accrued pension is not payable as reimbursement in the case of any pensioner who left sufficient assets to meet the expense of last sickness and burial.
4. Application for reimbursement should be accompanied by the following evidence:

   (*a*) *Bills of all expenses of last sickness and burial.*—If paid by the claimant for reimbursement the bills must be properly receipted to said claimant; but if paid in part only the creditor should state by whom paid or from what source such payment was received. If unpaid, the parties to whom said bills are due should note on each bill, over their signatures, that they hold the claimant responsible for the payment. If the bill be for medical treatment it must show the dates of visits or treatment and the charge for each. A bill for nursing and care must show the dates between which the services were rendered, and the rate per day or week. The bill of the undertaker must be itemized, and show the date on which the services were rendered.

   Each bill must show that the service was rendered for the pensioner on account of whom reimbursement is claimed.

   All claims should be presented in the name of one person.

   Bills which are forwarded become a part of the records of the Bureau of Pensions and can not be returned. Claimants should therefore secure duplicates of such bills if needed by them.

   (*b*) *The pension certificate which was issued in the name of the pensioner.*—If such certificate is not in possession of the claimant a statement showing its whereabouts or final disposition should be made.
5. The claimant's statement relative to insurance, property, and whether the deceased pensioner left a widow or minor children under sixteen years of age should be corroborated by the testimony under oath, of two disinterested credible witnesses who have personal knowledge of the facts.

Still hunting for my Indian heritage Friday, December 5, 2008 2:00 PM

From: "dnunneley" <dnunneley@cox.net>
To: "Mary R. M. Nunneley" <nunne002@sbcglobal.net>

Hello Mary and Dick:

Hope you had a good Thanksgiving and everyone is well!

I have a question for you that I hope will solve the mystery of my past.

I was discussing my disappointment of not being a part Cherokee with a cousin from my mothers side (Patterson's). He informed me that I was Cherokee, as my Great Grandfather Allen Liberty Alexander,1846, married a part Cherokee girl named Harriet Eveline White, 1859. Harriet's brother was named W.S. White (Rabbit Twister), an amateur poet, born in 1869. The White family started with William Sidney White born Sept 27, 1827 and married Martha Nicols. There children were Harriet and W.S. White.

There is no evidence that she was Cherokee (or any other type of Indian) other than my cousin saying that he was informed that Harriet was one quarter Cherokee Indian. My question is, how do I track this back to the Indian roles?? Are the Dawes Roles the only source of Indian heritage? Isn't that just for Cherokees? How about the other Civilized tribes?

Happy holiday's to all of you and your family,

David

Hi Sharon,

I am indeed the one you need to talk to. Kim Inman is the Cemetery Relations Coordinator. The Board serves in an advisory capacity so filming is my decision. The new Board Chair is Sarah Winn and Past Board Chair is Jay Lamb.

You might want to talk with Mary Nunneley who's board term has just expired. She has a long history with the cemetery, first as a member of the Beautification Committee and many other capacities through the last 10 years.

I'll need to check if there is a form that needs to be signed. I'll find out, but I think a piece on White Rose would be great. Thanks for asking. I'll get back with you about a form.

As for the board meeting. The agenda is already posted, but I'm watching this weather closely. Most of the members are retirees who are not overly thrilled about getting out on icy streets, so there's a possibility of postponing the meeting.

I will bring this up at the meeting as a part of my report and get their input. It is an open meeting, of course, so you're welcome to come, but the Board might feel more comfortable if they've discussed this first.

I'll get back with you on the form as quickly as I can.

Joan

Subject: A Special TV Segment on White Rose Cemetery

Dear Joan,

I'm writing to you in your capacity as director for the White Rose Cemetery. If I'm incorrect about your role, could you please let me know with whom I should be speaking?

The reason for this email is to ask permission to do a special segment on our new TV Show about the White Rose Cemetery . . . including some videotaping onsite at the Cemetery . . . particularly in terms of:

- The history of the Cemetery.
- A look, both narrative and visual, at some of the grave sites in terms of who is interned there and

what is special to us about them. For example, Chief Keeler and William Tyndall, plus other notables or sites of interest.

- Any other current facts about the Cemetery that would be of interest, such as the annual Memorial Day celebration, the Luminary Remembrance service, the re-enactment this June, etc.

I saw that the Board is meeting this Thursday at 9:15 am. Would they need to approve our venture? And if so, could it be put on their agenda for this Thursday? If we can do the segment, I think that would be an opportune time to speak to and perhaps interview someone on the Board about the Cemetery, as well as videotap. That is, before or after the Board meeting, not during!

As you know, one of the goals of our new TV variety show, "Live . . . from Bartlesville", is to highlight special People, Places and Things in our community that may not be very well known or have not been publicized through video and television. I started reading about White Rose Cemetery, its history, and the history of some people buried there after we found out Jan McLeod's family is buried in one of its mausoleums. (We interviewed Jan last show about his family and their involvement in B'ville history, particularly on the Nellie Johnstone.) And that got me all excited about presenting this to the public and – hopefully – generating more interest in preserving it as part of the City's history.

Thank you for your assistance in this matter.

Sincerely,

Sharon M Hurst

Mary—

Hope you are all doing well, I've been ill for a week but better now. I've had this ready for a while so will get it in the mail. It contains most of the papers you sent except some of the military records etc. I can always do them if you need me to. I enjoyed looking through them again.

Our grand-daughter was here at Christmas, along with about 25 others so we had quite a "gathering"! She hasn't sent anything to the paper about her wedding - probably won't! Hope you have a good 2009.

Love
Hilma

Black Cemetery - Benton County, Missouri

Located in Sec 4, Township 38, Range 21, southernmost Benton County: From Hwy 65, go east on Rt AA 3.3 miles, then south on a dirt road 1/2 mile to Mid-America Dairy sign. Cemetery is fenced, behind the barn and cow lot. Many stones are unreadable and propped against stumps, and many graves marked only with rocks. Although no persons named Black are listed, it was called the Black Cemetery because the original property owners were the Black family, who intermarried with the Jenkins family, who intermarried with the Smiths.
